

# BE UNEX- PECTED

POSTGRADUATE  
OPEN DAY

WED 28 NOV 2018

University of  
**Salford**  
MANCHESTER

## VICE-CHANCELLOR'S WELCOME TO YOUR POSTGRADUATE OPEN DAY

Your Open Day is designed to provide you with all the information you need to make an informed choice about the many taught and research opportunities available to you at the University of Salford.

In a fiercely competitive job market, a postgraduate qualification from Salford will give you the edge over rival job applicants. Our courses are designed to equip you for the challenges of the working world. They can open doors to rewarding and challenging careers in health, science, engineering, the arts, the built environment, media, music, law and business.

As a postgraduate student at Salford you'll experience cutting-edge academic facilities, close proximity to central Manchester and over 2,400 affordable student rooms within walking distance of our main campus.

Thousands of postgraduate students from the University have gone onto career success. Previous students are now working at leading organisations across the world including Apple, Saatchi & Saatchi, Kellogg's, the NHS, GlaxoSmithKline and the Financial Times, to name just a few. We also continue to boast exceptional links with organisations across both the public and private sector, both here in the UK and overseas.

Salford is a research-driven university, using innovation and creativity to find solutions to 'real-world' problems. Our multi-disciplinary research environment is recognised nationally and around the world. Our research is organised through four strategic interdisciplinary themes; Built Environment; Energy; Health and Wellbeing; Media, Digital Technology and the Creative Economy.

Academic staff and students will be available throughout the event to answer any questions you might have. I hope you enjoy your visit to the University of Salford.

**Professor Helen Marshall**  
*Vice-Chancellor*

## MAKE THE MOST OF YOUR VISIT

Our Postgraduate Open Day gives you the opportunity to talk to our experts about our wide portfolio of taught and research study opportunities. As well as our academics, there will be staff and students on hand to answer your questions.

### You will be able to:

- / Find out about fees and funding for postgraduate students at our askUS drop-in desk
- / Get guidance from our Careers and Employability team
- / Find out more about visas, entry requirements and deposits for international students
- / Chat to current postgraduate students
- / Discover our range of postgraduate accommodation options
- / Talk to askUS staff about any special help you need while studying and living in Salford
- / Get information about our application and selection processes from the Admissions team
- / Find out about our childcare facilities.

**The Library provides access to a wide range of resources for your research and learning.**

We are open 24/7 all year round closing only on Christmas Day. The library has a variety of spaces with silent and collaborative study zones developed in response to users' needs.

Our cutting edge resource discovery tool, Library Search, allows access to all our academic resources from a single interface, including more than 348,000 books, 592,000 e-books, 66,000 e-journals and several special collections and archives.

Even before you join us at Salford you can search our online database USIR (University of Salford Institutional Repository) and find research papers written by the University's researchers.

More than 700 PCs are provided, and our plasma screens show where the available PCs are located. 240 laptops are also available for loan within libraries, and our printing system allows you to print your work anywhere on campus.

There are a number of ways in which you can get help and support. We offer staffed Support Desks, to assist you in using our services, and an online instant messaging service is another source of help when you need it. Our Skills for Learning site is an invaluable source of support for students with e-learning material, video guides and interactive assistance to guide you through your studies.

Subject support is available via our Academic Support Librarians, who are here to help you and provide advice on literature reviews, research data management, open access and publishing.

The customer focus of the Library has been acknowledged with the Customer Service Excellence award, a national award to recognize excellence in Public Services.

#### **COME AND MEET US ANY TIME**

If you would like to learn more about our services and meet your Academic Support Librarian, please get in touch: [www.salford.ac.uk/library](http://www.salford.ac.uk/library)

**Information about our library services will be available at the Allerton Building, MediaCityUK and New Adelphi Building at our Library stands.**

**The University's main library has undergone a £6.2m refurbishment, giving you a modern learning resource in the middle of the Peel Park campus which is open 24/7.**

# THE LIBRARY

We have listed all our subject areas alphabetically so you can find the courses of interest to you. All of the courses below will have a presence at the postgraduate study fair on campus. Academic staff, students and alumni will be available to answer your questions and offer advice about all aspects of postgraduate taught and research study.

Course name	Campus	School
<b>ACOUSTICS</b>		
Audio Acoustics	Peel Park	School of Computing, Science and Engineering
Environmental Acoustics	Peel Park	School of Computing, Science and Engineering
<b>APPLIED PSYCHOLOGY</b>		
Applied Psychology (Addictions)	Fredrick Road	School of Health and Society
Applied Psychology (Therapies)	Fredrick Road	School of Health and Society
Media Psychology	MediaCityUK	School of Health and Society
Psychology of Coercive Control	Fredrick Road	School of Health and Society
<b>ARCHITECTURE AND DESIGN</b>		
Architecture	Peel Park	School of the Built Environment
<b>ART AND DESIGN</b>		
Contemporary Art Practice with Industry Experience	Peel Park	School of Arts and Media
Design for Communication with Industry Experience	Peel Park	School of Arts and Media
Design Suite	Peel Park	School of Arts and Media
Socially Engaged Arts Practice with Community Experience	Peel Park	School of Arts and Media
Socially Engaged Photography with Community Experience	Peel Park	School of Arts and Media
<b>AUDIO, VIDEO AND DIGITAL MEDIA</b>		
Audio Production	MediaCityUK	School of Computing, Science and Engineering
<b>BIOSCIENCE</b>		
Biomedical Science	Peel Park	School of Environment and Life Sciences
Biotechnology	Peel Park	School of Environment and Life Sciences
Drug Design and Discovery	Peel Park	School of Environment and Life Sciences
Molecular Parasitology and Vector Biology	Peel Park	School of Environment and Life Sciences
<b>BUILT ENVIRONMENT</b>		
BIM and Digital Built Environments	Peel Park	School of the Built Environment
Building Surveying	Peel Park	School of the Built Environment
Ecologies of Cities	Peel Park	School of the Built Environment

Advanced Physiotherapy	Fredrick Road	School of Health and Society
Clinical Exercise Physiology	Fredrick Road	School of Health and Society
Performance Analysis in Sport	Fredrick Road	School of Health and Society
Sports Injury Rehabilitation	Fredrick Road	School of Health and Society
Strength and Conditioning	Fredrick Road	School of Health and Society

## STUDENT AMBASSADORS

Our Student Ambassadors will be on hand to help you throughout the campus. (they're the ones in the red t-shirts). Whether you need pointing in the right direction or want to ask them about studying at Salford, they'll be happy to answer your questions.

Our **Open Days** take place across our **three campuses**. Your course will dictate the campus you will be based on during the Open Day. You can find out which course are based where on pages 8-13.

## MAPS

Pick up a map at any of our check-in desks, and if you need pointing in the right direction, just ask any of our staff or student ambassadors and they will be happy to help.

## PARKING

On the day you will be able to park for free at both our Peel Park (M5 4WT) and Fredrick Road (M6 6NY) car parks.

## BUSES

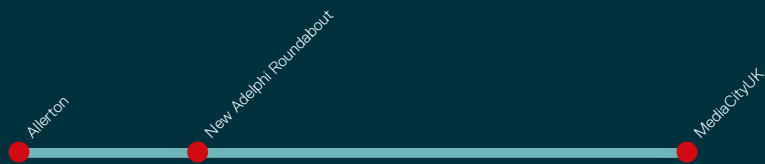

Free campus link buses will be running throughout the day between all three campuses.

## VISITING MEDIACITYUK

For visitors to our MediaCityUK campus, we are running a link bus that will depart from the New Adelphi Building every 30 minutes.

Parking is limited at MediaCityUK and there is a charge. So if you are driving to the Open Day, we recommend parking for free at the Peel Park Campus, then catching the link bus to Media City from the New Adelphi Building. Free parking is available on the Irwell Place car park, please use the postcode M5 4WT to park at Irwell Place.

If you do decide to drive to MediaCityUK, you can use the postcode M50 2EQ.

# FINDING YOUR WAY AROUND

## FREDRICK ROAD CAMPUS

Our Fredrick Road campus has practicality built into the heart of it. Our aim is to re-create real world environments ensuring you are fully prepared for anything your career can throw at you. Some of our specialist facilities include:

### Prosthetics and Orthotics lab

Our state of the art labs are used to treat real patients, letting our students gain as much experience as they can.

### Nursing Simulation suites

Used by students on our nursing, midwifery, physiotherapy courses, offering you state-of-the-art facilities which replicates a real hospital environment.

### Immersive suite

Our new immersive simulation room allows users to be transported to any environment without having to leave the suite. The technology combines a series of cameras which project realistic images onto the walls, with audio equipment to transform the space into anything from the back of an ambulance to a nightclub, prison cell or family home.

### Human Performance lab

Our Human Performance lab contains almost every type of physiological and biomechanical testing equipment, including a 30-metre sprint track with in-built force platforms, motion cameras, blood and gas analysis equipment and speed guns.

### Podiatry Clinic

Our public facing clinic allows you to gain real-world experience whilst completing your degree.

## FREDRICK ROAD POSTGRADUATE OPEN DAY SCHEDULE

All of the talks, sessions and the study fair will be in the Allerton building, please follow the signs on the day to the Check In points.

Talks	Department	Location	Time

Accommodation stand	Campus Living Villages	Allerton Concourse, Allerton Building	3.30pm-6.30pm
Postgraduate Study Fair	Health and Society	Allerton Concourse, Allerton Building	3.30pm-6.30pm

## MEDIACITYUK CAMPUS

MediaCityUK has become a genuine, creative community, where collaborative relationships can grow and flourish. It's a concept reflecting the way the media industry is moving, as the boundaries between 'new' and 'old' media become increasingly blurred. This is a brave new world which will require talented people from different disciplines to work together - MediaCityUK is a place where this can happen.

We are currently the only University to have a presence at MediaCityUK, with a space designed to encourage creativity, innovation and collaboration between academics, students, professionals and industry.

Our MediaCityUK campus is located at the heart of six national BBC departments and a mass of independent specialist creative, digital and media organisations. The location, state-of-the-art facilities and our focus on industrial partnerships give our 1,500 MediaCityUK students exceptional opportunities, placing them in prime position for digital and media careers.

- / Our production suites, studios and digital infrastructure have been informed and specified by industry and future proofed for emerging creative technologies.
- / Our close partnerships with major businesses such as BT and Adobe will inform the development of our courses and research projects – keeping our focus constantly up to date with the real world.
- / Our aim is to have our students working on live briefs (assigned by our business partners) on all MediaCityUK courses. These will be used as a key aspect of our teaching and preparing our students to be professional.

## MEDIACITYUK POSTGRADUATE OPEN DAY SCHEDULE

Talks	Department	Location	Time
Postgraduate Finance	Student Finance	MCUK 2.03	3.45pm-4.15pm & 5.30pm-6.00pm

## PEEL PARK CAMPUS

The original campus of the University of Salford, our Peel Park campus combines elements of the original university, dating back to 1896, and brand new facilities. We have spent over £100 million making the campus a fantastic place to live and study. Our facilities include:

### The New Adelphi Building

Our £60 million New Adelphi building houses facilities including a 350 seat theatre, screen and voice acting studios, fashion design spaces and studios, photography studios, recording studios and a whole host of specialist spaces designed especially for our performance, art and design, music and dance students and programmes.

### Bodmer Lab

Known colloquially as the 'Megalab', the Bodmer Lab is a £3million state-of-the-art Environment and Life Sciences laboratory.

### Aerodynamics labs

Used to determine the aerodynamic properties of Aerofoils to show the influence on the lift and drag characteristics of a tapered wing section. They have low speed and supersonic wind tunnels and a DC10 jet engine!

### The Octave

A world-class, fully configurable, immersive holographic experience which engages sight, sound, and touch that can bring together people and objects from around the world in one single virtual reality.

### The Energy House

This is a full sized two bedroom terraced house built inside an environmental chamber that can replicate almost any weather conditions. This amazing test facility is fully furnished and packed with a vast array of sensors that can monitor a wide range of variables throughout the house and chamber

We are named after the Peel Park, one of the oldest public parks in the country, which sits right next to the campus. Having recently undergone a £2.5 million restoration to bring it back to its former glory, the park provides a beautiful green space to relax outside of lessons.

## PEEL PARK POSTGRADUATE OPEN DAY SCHEDULE

All Talks, Sessions and the Postgraduate Study Fair will be in the New Adelphi Building, please follow the signs on site to your nearest Check In point.

# HOW TO APPLY FOR THE UNIVERSITY OF SALFORD

To apply for postgraduate study, you will need to complete our online application form.

For postgraduate taught applications visit [www.salford.ac.uk/study/applying/applying-for-taught-courses](http://www.salford.ac.uk/study/applying/applying-for-taught-courses)

For postgraduate research applications visit [www.salford.ac.uk/study/postgraduate/applying/applying-for-research](http://www.salford.ac.uk/study/postgraduate/applying/applying-for-research)

You will need to have your supporting documents ready to upload when you start the online application:

- / Degree certificates
- / Transcripts
- / English language qualifications
- / Passport details (required for international applicants)
- / Research proposal (for postgraduate research applications)

## GUIDE TO SUBMITTING YOUR APPLICATION

- 1 When you first enter the online application you will be asked to create an account.
- 2 You will then receive an email with your login PIN and password.
- 3 You can re-enter and complete your application at times convenient to you.
- 4 Fill in all your application details using the guidance within the form.
- 5 Upload your supporting documents.
- 6 Once you have submitted your application you can print a copy of your application.

However you cannot re-enter and make any changes at this stage.

## WHAT HAPPENS NEXT?

- / When you submit your online application you will receive an acknowledgement by email.
- / You'll be notified of the outcome of your application in writing.

## RECOGNISING EXPERIENCE

We're not just interested in exams you've passed and certificates you've collected. If you've gained enough relevant work experience – paid or voluntary – we'll take that into account through our Accreditation of Prior Learning (APL) and Accreditation of Prior Experiential Learning (APEL) schemes.

## HOW TO PREPARE A RESEARCH PROPOSAL

The research proposal is a crucial part of your postgraduate research application. You should discuss your proposal with the Postgraduate Research Admissions Contact of the School to which you are applying, to make sure you understand what is expected in your subject area.

Visit [www.salford.ac.uk/study/postgraduate/applying/applying-for-research](http://www.salford.ac.uk/study/postgraduate/applying/applying-for-research) to find out details of the relevant contact.

When submitting an application, make sure that the specialist area you wish to study is covered by a member of staff at the University:

Check individual staff entries on the Research Centre sites that relate to your area. Visit [www.salford.ac.uk/research](http://www.salford.ac.uk/research)

Explore staff profiles and check current research interests on SEEK (Salford Environment for Expertise and Knowledge).

Visit [www.seek.salford.ac.uk](http://www.seek.salford.ac.uk)

# ACCOMMODATION

Living on campus is a great way to really immerse yourself in student life, whilst giving you the peace of mind of having everything you need within easy reach. All of our accommodation is managed through our partner, Salford Student Village, with prices starting from as little as £93 per week.

## UNIVERSITY PARTNER ACCOMMODATION

**John Lester and Eddie Colman Courts** are located next to our Frederick Road campus. They're also a 15 minute walk from Peel Park, and a short free bus ride to MediaCityUK. All rooms come with a bed (single or double, depending on the room), wardrobe, desk, chair and storage heater.

- Wifi
- Utility bills
- Gym
- Laundry room
- Social room
- Contents Insurance
- Security and CCTV
- Cycle storage
- Basketball court
- Parking
- Library

## COMMUTING

We're ideally placed for public transport links, with Salford Crescent train station right on campus. There are regular bus routes along the Crescent into Manchester and it's only a 20 minute walk into the city centre.

There's a Metrolink tram stop right outside our MediaCityUK campus building, and students can use their Salford ID cards to travel for free on the 50 bus between main campus and MediaCityUK.

Parking is available for students at both the Peel Park and Fredrick Road Campuses, charges do apply.

# POSTGRADUATE LOANS

**“If I hadn’t done the MA Media Production: Children’s TV Production course at the University of Salford, I definitely wouldn’t be in this job now.”**

Sinead Lynch  
Production Management Assistant on BBC’s ‘Newsround’ and ‘Match of the Day Kickabout’

**Doctoral Loans will soon be available alongside the existing Masters Loans for UK students.**

**From the 1st August 2018 UK students will be eligible to receive up to £25,000 towards a doctoral degree or £10,609 towards a taught or research masters.**

**Repay once you’re earning over £21,000**

	Masters Loan	Doctoral Loan
<b>Courses and Subjects</b>	<ul style="list-style-type: none"> <li>✓ The vast majority of modes of study that result in a master’s degree are eligible</li> <li>✓ Loans are available for full-time master’s lasting up to two years and part-time master’s lasting up to four years</li> <li>✓ Our 28-month courses with the School of the Built Environment are also eligible</li> </ul>	Your course must <ul style="list-style-type: none"> <li>✓ be a full, standalone doctoral course (not a top-up course)</li> <li>✓ have started on or after 1 August 2018</li> <li>✓ last between 3 to 8 academic years</li> </ul>
<b>Amounts</b>	<ul style="list-style-type: none"> <li>✓ £10,609 for courses commencing September 2018</li> <li>✓ It is not means tested and you can borrow up to £10,609 regardless of the specific cost of your master’s</li> <li>✓ The money is paid directly to you in three instalments per year</li> </ul>	<ul style="list-style-type: none"> <li>✓ £25,000 for courses commencing after the 1st August 2018</li> <li>✓ It is not means tested and you can borrow up to £25,000 regardless of the specific cost of your master’s</li> <li>✓ The loan will be divided equally across each year of your course</li> </ul>
<b>Who Qualifies</b>	<ul style="list-style-type: none"> <li>✓ You must be age 60 or under on the first day of the first academic year of the course</li> <li>✓ You need to be a UK national, resident in England or EU national, resident in the EU</li> <li>✓ If you defer entry after the application has been approved, you will need to submit a new application for the next academic year</li> <li>✓ Funding is not available for repeating a year of study unless you did not complete the year due to a compelling personal reason</li> <li>✓ Receipt of other sources of postgraduate funding such as an NHS bursary will not affect eligibility</li> </ul>	The eligibility criteria for the doctoral loan is governed by three main areas: <ul style="list-style-type: none"> <li>✓ Your course</li> <li>✓ Your age – you must be under 60 on the first day of your first academic year of your course</li> <li>✓ Your nationality or residency status               <ul style="list-style-type: none"> <li>• you’re a UK or EU national, or have ‘settled status’, so there are no restrictions on how long you can stay</li> <li>• you normally live in England, and didn’t move there just to study</li> <li>• you’ll have lived in the UK, the Channel Islands or the Isle of Man for the past 3 years before starting your course</li> </ul> </li> </ul> <p><b>PLEASE NOTE:</b> you won’t be eligible to receive a doctoral loan if you have received or will receive a scholarship, grant, social work or NHS bursary or already have a doctoral degree. More details can be found at <a href="http://www.gov.uk/doctoral-loan/eligibility">www.gov.uk/doctoral-loan/eligibility</a></p>

## REPAYMENTS:

The repayment information is the same for both loans.

- ✓ Repayments start once you start earning over £21,000 a year
- ✓ The rate of repayment is 6% of your earnings OVER £21,000 - not your total salary
- ✓ If you ever dip below £21,000, your payments will stop, and then restart once you’re earning over £21,000 again
- ✓ Interest rates are RPI+3%
- ✓ Repayments of undergraduate and postgraduate loans will be separate but will be taken at the same time

# OUT AND ABOUT – IN THE CITY

HELLO  
GOOD  
TIMES!

We're **Salford and proud**, but there's no denying that our next door neighbour is one of the most exciting cities in the world. Here are our **top five reasons to love Manchester**.

## 1. FOOD

Manchester is one of the best places in the country for dining out. There's food from almost every country in the world, from fine dining to street food. Spinningfields is a great place to have a glass of wine while doing some celeb spotting. You'll find burgers galore in the Northern Quarter along with a huge selection of craft ales to wash them down. The Grade II listed Corn Exchange houses 13 restaurants under one roof. Meanwhile, The Printworks has everything you need for a great night out, including restaurants, bars and clubs.

## 2. MUSIC AND NIGHTLIFE

Manchester is famous for its music scene and the lively, energetic buzz shows no sign of abating. The Warehouse Project attracts clubbers from all over the world, and Manchester's popular festival Parklife (from the people behind the Warehouse Project), is held each summer in Manchester's Heaton Park. Every May, Salford's Sounds from the Other City festival is held in locations just a short walk away from our main campus.

## 3. SHOPPING

Food or fashion, bargain or designer, organic or value: it's all here. Hop on the 100 bus from outside the University and it will take you straight to the Trafford Centre, the second largest shopping mall in the UK with a cinema, bowling and restaurants all open until late. Student favourite Afflecks has dozens of independent shops and stalls selling original, vintage and handmade goods. Manchester's Arndale is just two kilometres away from campus, and has hundreds of international brands, plus lots of student focused events and discounts, all under one roof.

#### 4. SPORT

Not only is Manchester home to one of the most famous football teams in the world, Manchester United, and its rival, Manchester City, it hosts international cricket matches at Lancashire County Cricket Club, world cycling competitions at the Manchester Velodrome, and international swimming events at the Aquatics Centre. And if playing sport is your thing, you've got plenty to choose from, including the Power League which has 14 all-weather pitches. You can ski all year round at Chill Factor, or you can even take part in open water swim sessions in the Manchester Ship Canal from April to September. And we've got our very own sports centre right here on campus, complete with a gym, swimming pool, sauna, climbing wall, courts and pitches.

#### 5. CULTURE

Manchester's reputation for producing world-famous musicians places it centre stage in the world of culture. But it's not all about Oasis and The Smiths; from the diversity of Manchester International Festival (MIF) to live music venues such as The Bridgewater Hall and The Deaf Institute, there really is something for everyone. Need a break from the noise and excitement? There are many excellent art galleries, museums, theatres and libraries. Visit contemporary and classic exhibitions at Salford Museum and Art Gallery, or take in a film or theatre experience at the multi-artform centre, HOME. With its rich literary legacy, Manchester is home to some of the best libraries including Manchester Central Library and Chetham's, the oldest public library in the English-speaking world.
