School of Computing, Science and Engineering
Audio Acoustics Undergraduate Applicant Visit Day
Wednesday 6 Feb 2019, 1:45pm – 3:45pm.

This event is for applicants holding offers for:

- BEng/MEng (Hons) Acoustical and Audio Engineering
- BEng (Hons) Acoustical and Audio Engineering with Foundation Year

Event details:

1:45pm – 2pm  
Introduction to Acoustics and Audio

2pm – 2:25pm  
Popular science and research in acoustics and audio
Hear about our recent travels around the world discovering some very interesting sounds. Also, discover our cutting-edge research undertaken in soundscapes, spatial audio, concert hall design and recording studio design and how this feeds in to what you will learn on the course

2:25pm – 2:35pm  
Refreshment break

2:35pm – 3:20pm  
Round robin acoustics and audio demonstrations (15 mins each)
- Experience walking along a standing wave in one of our reverberation chambers
- Experience listening to Wave Field Synthesis – a state of the art surround sound system
- Critically evaluate audio quality in our recording studios

3:20pm – 3:45pm  
Student industrial placements and Q&A
Learn about industrial placements, and chat to staff and current students about studying audio and acoustics at Salford.
