

Sample Open Day Itinerary

BSc (Hons) Wildlife Conservation with Zoo Biology

1

9:30

Arrive at Peel Park campus and go to one of the three check-in points.

2

10:00

Attend the Welcome Talk to learn more about the University of Salford and its history.

3

10:30

Take a campus tour ending at University House. Then visit askUS and tour the Students' Union.

4

11:15

Walk through campus to the Clifford Whitworth Library and take a tour of the facilities.

Notes

Once you've read our Open Day guide, you'll have a good idea of what you'll want to see on the day. You might have some questions, too. Use this section to write them down.

5

12:00

Attend the student support and finance session at University House

6

12:30

Visit one of our Salfood outlets and have some lunch.

7

13:30

Attend the Introduction to Wildlife Programmes session.

8

14:45

Make your way back through the campus and head home.
