This event is for applicants holding offers for:

BSc (Hons) Biology (including Biology with Studies in the USA)
BSc (Hons) Wildlife Conservation and Zoo Biology
BSc (Hons) Wildlife and Practical Conservation
BSc (Hons) Zoology
Biology Foundation Year

Time	Details
10.30am – 10.45am	Welcome and introduction to the School of Environment and Life Sciences
10.45am – 11.25am	Research Speed Dating Some of our key researchers try to convince you that their subject area is the most interesting. Vote for your favourite.
11.25am – 11.45am	Q&A/Tea and Coffee A chance to chat to staff and students informally about studying Biology/Wildlife/Zoology and Biology Foundation.
11.45am – 12.30pm	Activity session 1 (Wildlife courses) Visitors will get hands on with drones and see how academics at Salford use drones in their teaching and research. Typical of the sorts of practical teaching students receive at Salford. Activity Session 2 (Biology and Zoology courses) A hands-on laboratory session with practical demonstrations.
12.30pm – 12.50pm	Student placements and career opportunities A chance to chat to staff and students of the opportunities and benefits of taking a placement year.
