

APPLICANT VISIT DAY SCHEDULE

Saturday 21 April 2018 9am – 5pm

HNC Construction

Welcome!

Welcome to the University of Salford and your Applicant Visit Day. Below is an overview of how the day will work, with information about your subject-specific session and all the optional sessions available throughout the day.

Choosing the right university and course is one of the most important decisions you will make. We hope that today will give you a flavour of what life is like as an undergraduate student here at the University of Salford and that it answers any questions you might have. Enjoy your visit!

Got a question?

The Recruitment Support Team managing today's event are wearing black University tops and our student ambassadors have red University t-shirts or hoodies on. Please feel free to ask us any questions, we're happy to help. If you have any questions about your application or anything else we haven't yet answered, please visit any of the Check-in desks at Chapman Square, Allerton Building or MediaCityUK and one of the team will be able to assist.

Scheduled activities for your chosen course

Time	Activity	Description
9am	Check-in opens	There will be check-in points on Peel Park, Frederick Road and MediaCityUK campuses.
As your subject sessions are taking place in the afternoon, there are a variety of options for you during the morning. You can see more about optional sessions running overleaf, plus a list of catering outlets open if you fancy a brew and a bite to eat.		
1:15pm – 4pm		<p>The first session of the afternoon is a welcome talk. Your welcome talk will be held on our Peel Park campus in Chapman Building, Lecture Theatre 5 and you will be taken to any subsequent locations by a member of the team.</p> <p>Your subject session will include a range of different activities as detailed below.</p> <ol style="list-style-type: none">1. Course introduction (Maxwell Building, room 714c) An introduction to the HNC Construction from the programme leader.2. Energy House and campus tour You will take a tour of the campus and see the amazing facilities on offer. Highlights include the Energy House - the only fully climate controlled research facility in the UK.3. Q&A with the programme leader Your chance to ask any questions about the course and studying here at Salford. <p>For the most part parents and supporters are welcome to attend along with applicants, but in some of the more practical courses such as performance-based courses, parents cannot attend. Please see overleaf for alternative options.</p>

Optional activities

We have a range of activities on offer for you to undertake whenever you wish throughout the day. If you have attended your subject-specific session in the morning, we would suggest using your afternoon to do whichever optional sessions you wish. You can find details of all optional activities below.
