

The running performance clinic location

Running and
performance
clinic

Allerton
Reception
area

Directions

From the A6 turn into Frederick road and then take the first right into the University. Before the car park barrier use the intercom to explain to security that you are here to use the running clinic. Now drive around the back of the building and park in the main car park.

The running clinic operates from within the podiatry department which is situated just next to the exit to the car park. You can either find it by retracing your steps or by walking through the Allerton reception area.
