

# WIFI ZONE

## HOW TO CONNECT

- 1.** Enable WiFi on your device and enable **WiFi-Guest**.
- 2.** Open your internet browser.
- 3.** If you have a Sky WiFi account log on as usual.
- 4.** If you need to create an account, simply follow the steps and log on with your new details.
- 5.** Once logged on, open up a new browser.
- 6.** Importantly, enter a complete URL like **www.salford.ac.uk** and you will be automatically connected.

**PLEASE NOTE:** This Wi-Fi service is provided by Sky UK Limited and is only intended for visitors on campus. If you are a guest at an event and are experiencing problems, please inform your event organiser. If however you are a casual visitor and you can get further help through <https://www.skywifi.cloud/faqs-support/>.

**If you are an Eduroam user please use 'eduroam' WiFi, if you are a student or staff member then please use 'UoS-WiFi'.**
