

MARCH

ARCHITECTURE

University of
Salford
MANCHESTER

Blending theory and practice, MArch Architecture will develop your capabilities and prepare you for being a responsible designer, reflective practitioner and creative innovator in contemporary society.

Prescribed by the Architects' Registration Board (ARB), this course offers a challenging, yet rewarding, experience that enables you to complete Part Two of your journey towards architect status.

Aligned with industry, you'll develop your skills through critiques on current architecture and design, and gain the knowledge and confidence to propose alternative ideas.

ACCREDITED BY:

Architects Registration Board

COURSE DELIVERY

Delivered over two years, you will study eight carefully designed modules, providing the appropriate level of skill development for Part Two study, including a final design-research dissertation project in which you will articulate an architectural position based on professional practice.

Featured modules:

- / Design Studios 1-4
- / Histories and Theories
- / Advanced Digital Design Technologies
- / Advanced Practice Management and Law
- / Dissertation

COURSE EXPERIENCE

- / Enhance your knowledge of architecture design thinking to explore the relationships between ecological and human systems
- / Develop critical understanding of the professionalism, duties and personal responsibilities of architects to clients, building users, constructors, co-professionals and the wider society
- / Learn through a combination of studio-based design sessions, lectures from invited practitioners, seminars, tutorials, workshops and critiques
- / Experience our dynamic studio-based culture, delivered from our £55 million New Adelphi building, complete with 3-D printers and laser cutters to bring your models and ideas to life
- / Benefit from practical work experience, industry guest lectures, 'live' briefs, and an international summer school
- / Express your creativity to industry professionals, researchers, academics, friends and family at our annual degree show
