Dear Mubeen,

We know you have chosen us as your insurance choice and we wanted to share information about the start of term and the impact of coronavirus on your potential studies with us. Our Pro Vice Chancellor for Student Experience, Dr Sam Grogan, has recorded a message for you to give you more information, including when term will start, and we'll be following this up over the coming weeks with more information as we get it.

Please don't forget that our teams are here to support you during this period. If you have any questions, we're on phones, email and live chat as well as our social media accounts.

With best wishes,
