Troubleshooting Endnote

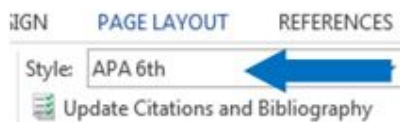

**My references in EndNote aren't displaying in APA 6th (Harvard) style. Why?
How do I fix it?**

The most likely reason for this would be due to the correct style not being selected in EndNote. Check that the correct style is selected in both Microsoft Word and in EndNote, and adjust if not, so it looks like this:

In Endnote:

In Microsoft Word:

If you encounter any problems, please contact your [Academic Support Librarian](#).
