# GLOBAL WEEK 2020

16-20 November 2020

University of  
**Salford**  
MANCHESTER

The International Opportunities Team is delighted to launch our second Global Week which aims at celebrating our global community, integration and internationalisation, the value of global citizenship and more.

We view everyone as international, regardless of where you come from, and we want to celebrate our inclusive and diverse community throughout this week. Whether you're from Salford or further afield, come and join us for an exciting and fun programme of events. Everyone is welcome.

Global Week will run alongside [Global Education Week](#), a world-wide awareness raising initiative taking place every year and a call to rethink our world together and supporting solidarity and change to make the world a fairer place.
