University of
Salford
MANCHESTER

International **OPPORTUNITIES**

**PUSH YOUR
BOUNDARIES
WITH AN INTERNATIONAL
EXPERIENCE**

Barcelona, Spain

As a student at the University of Salford, you have the chance to acquire invaluable employability skills and become a global citizen by taking part in:

- / Study exchanges, virtual or abroad
- / International work experience
- / Short courses and summer schools, virtual or abroad
- / International activities on campus and virtual opportunities

These offer you the fantastic opportunity to develop new skills that will impress future employers, embrace new cultures and make friends all over the world.

Please note: all international opportunities for the 2021/22 academic year are subject to COVID-19 developments.

Why should you take advantage of any of our international opportunities on offer, while studying towards your degree?

BENEFITS

1. Gain a global mindset and become a global citizen: whether it's in work, study or play, you'll be able to use your new global mindset to back up arguments, inform your beliefs and steer your future
2. Brush up your language skills or learn a new language
3. Learn self-reliance: moving abroad is the ultimate test in self-reliance. When (or if) you move back, you'll likely rely on others less and you'll take more responsibility for yourself
4. See your own culture through a new lens: it's easy to accept your own culture as absolute, but experiencing a different culture can help inform your point of view on your home culture, allowing you to develop your own views rather than simply accepting those defined by where you happen to come from
5. Make lifelong friends: a shared international experience is a great way to bond with people and create life-long friendships with people from all around the world

(Source: UUKi, 2020, universitiesuk.ac.uk/International/go-international/stand-out/Pages/Join-the-campaign.aspx)

MYTHS

1. Going abroad is just for "language studying" students: you can study and work abroad in English in countries across the world and all of our partner institutions offer courses taught in English
2. It will cost a fortune: many places are cheaper than the UK. There are scholarships available and if interested in going to a European country, the Erasmus+ programme currently offers a grant to help with living costs
3. My chosen subject will be the same in every country: courses content and structure will vary greatly with location
4. Teaching quality will be lower than at home: course contents will vary by institution as well as by country, and you're likely to find different strengths and weaknesses in each
5. Travelling is a better way to see the world: travelling is a great way to see the world and an international opportunity is a great way to travel. You may find that by studying or working abroad you will have the best of both worlds: the ability to get to know a part of the world that you might not normally visit, and the opportunity to learn while you're there

(Source: QS Quacquarelli Symonds Ltd, February, 2020, topuniversities.com/blog/8-myths-about-studying-abroad)

OUTCOMES

Compared to those who don't, students who go abroad are:

1. 20% less likely to be out of work
2. 10% more likely to be in graduate jobs, six months after graduation
3. 7% higher average wage earners, six months after graduation
4. 19% more likely to gain a first in their degree
5. A quarter of those who take part in the Erasmus+ scheme meet their long-term partner while studying abroad

(Source: UUKi, 2020, universitiesuk.ac.uk/International/go-international/stand-out/Pages/toolkit.aspx)

STUDY EXCHANGES, VIRTUAL OR ABROAD

We currently run the following schemes

1. Erasmus+ for studies*
2. International Exchanges

Your Exchange Coordinator will be able to confirm if you are eligible to take part in either of these. You can find out who they are at salford.ac.uk/international-opportunities/things-to-know.

Please note that you will need to meet the following criteria:

- / Have a good academic standing with grades no lower than 50%, no re-sits, or have personal mitigating circumstances approved (specific requirements may vary across schools)
- / Be a good ambassador for our University
- / Be motivated, curious, and confident
- / Be clear about why you would like to study abroad, what you will gain from it, and how it fits into your future career plans

* Please note that the future participation of the UK in the Erasmus+ programme is only guaranteed up until May 2023 (correct at time of production, December 2020)

WHAT OUR STUDENTS SAY

“
Being fortunate enough to be awarded a place on the programme allowed me to spend two months living and working in Zhuhai. Whilst there I experienced global business practices and built my professional network with national and international contacts. There was plenty of opportunity to travel and learn about Chinese culture in addition to learning Mandarin. I would recommend an international experience to anyone. You will learn so much in such a short amount of time that you will be left wondering why you didn't do it sooner!”

Callum Parker,
Generation UK
China Programme,
China

“
I have gained a lot of friends from all over the world, who I will have life. From meeting these people, who were in the same situation as me, I also gained a better understanding of different cultures and lifestyles around the world.”

Lily Brewin,
International
Exchange
at Middle
Tennessee
State
University, USA

“
Yes, it looks great on your CV, but it will also shape you as a person. You learn a lot about others and their cultures when you live abroad, but you also learn a lot about yourself.”

Rob Cleary,
Erasmus+ Work
Placement in
Barcelona, Spain

ERASMUS+ FOR STUDIES*

WHO?

Level 5 (second year of an undergraduate programme) students only. Options vary depending on your subject area. Please check with your Exchange Coordinator or Programme Leader.

HOW LONG FOR?

- ✓ One trimester or a full academic year
- ✓ Usually replacement trimester/year, i.e. the total duration of the course stays the same
- ✓ Also available as a sandwich year for some courses (between second and final year) if allowed by your school

HOW?

Usually physical, i.e. abroad, but also virtual.

WHERE?

Partner universities only, i.e. an Erasmus+ agreement between the two universities is required; please see our list of partner universities

salford.ac.uk/international-opportunities/our-partnerships

COST

The Erasmus+ monthly grant ranges between €370 and €420 depending on your chosen destination. If you study abroad for a full year and you are a UK/home student, you may be eligible for an 85% reduction of your tuition fee to the University of Salford for that specific year. If you undertake a sandwich year, you won't have to pay tuition fees for that year. You won't have to pay any tuition fees to your host institution. The Erasmus+ grant is not available for virtual exchanges. For further information, please see Appendix A. Please note there is no financial support for virtual exchanges.

STUDIES

Modules to be undertaken during the exchange are chosen in conjunction with the Exchange Coordinator and the tutor at the host institution to make sure they match what you would have done at Salford. The grades you will receive at your host institution will not count towards your degree classification, but will show as a pass/fail.

ACCOMMODATION

Most of our partners are able to provide student accommodation but it is not guaranteed. Successful students will be given full support by their host institution to secure a place to live.

VISAS

You are responsible for obtaining your own visas and the International Opportunities Team are on hand to provide guidance and support. The International Opportunities Team are not qualified immigration specialists and immigration regulations can change quite frequently. You should refer to the national websites for general information in the first instance. Please note that the EU entry and study regulations for UK nationals are expected to change from 1 January 2021.

* Please note that the future participation of the UK in the Erasmus+ programme is only guaranteed up until May 2023 (correct at time of production, December 2020)

STAGE

WHEN

Find out more about the international opportunities available by attending promotional events, visiting our **website**, and keeping an eye on our social media and the **Student Hub**

1

Right from the start of your student journey

Raise your interest with the International Opportunities Team and/or your Exchange Coordinator. You can find out who they are at **salford.ac.uk/international-opportunities/things-to-know**

2

✓ As soon as possible in your first year if you would like to take part in a study exchange the following September. We will need final confirmation by 5 March
✓ Deadline is 5 March if you would like to take part in a study exchange in January of the following year. We would also welcome applications submitted by 1 October

Research the country and institution you are planning to go to - our website provides a lot of useful information. We will also ask you to complete a Student Planning Document and a Permission Form as part of your application

3

As soon as your Exchange Coordinator confirms you are eligible to take part in the programme

The International Opportunities Team will nominate you to your chosen institution

4

The deadline will be set by our partner universities. Usually, students due to go abroad in September are nominated around May and those going abroad in the second trimester of their second year are nominated around October

Your chosen institution will confirm the next steps and if you are officially accepted

5

This is usually done within three to four weeks following submission of your application

You will be invited to apply for funding (if applicable) and provided with all the relevant pre-departure information and documentation to be completed

6

As soon as you can provide an official acceptance letter/email issued by your host institution

YOU ARE GOOD TO GO!
(provided you have completed all the necessary documentation and made all relevant arrangements)

7

Your start date will be provided by the host institution

INTERNATIONAL EXCHANGES

WHO?

Level 5 (second year of an undergraduate programme) students only. Options vary depending on your subject area. Please check with your Exchange Coordinator or Programme Leader.

HOW LONG FOR?

- / One trimester or a full academic year
- / Usually replacement trimester/year, i.e. the total duration of the course stays the same
- / Also available as a sandwich year for some courses (between second and final year) if allowed by your school

HOW?

Usually physical, i.e. abroad, but also virtual.

WHERE?

Partner universities only, i.e. an International Exchange agreement between the two universities is required. *Please see Appendix B.*

COST

If you study abroad for a full year and you are a UK/home student, you may be eligible for an 85% reduction of your tuition fee to the University of Salford for that specific year. You won't have to pay any tuition fees to your host institution. For further information. *Please see Appendix A.*

STUDIES

Modules to be undertaken abroad are chosen in conjunction with the Exchange Coordinator and the Tutor at the receiving institution to make sure they match what you would have done at Salford. The grades you will receive at your host institution will not count towards your degree classification; they will show as a pass/fail.

ACCOMMODATION

Most of our partners are able to provide student accommodation but it is not guaranteed. Successful students will be given full support by their host institution to secure a place to live.

VISAS

You are responsible for obtaining your own visas and the International Opportunities Team are on hand to provide guidance and support. The International Opportunities Team are not qualified immigration specialists and immigration regulations can change quite frequently. You should refer to the national websites for general information in the first instance.

STAGE

WHEN

Find out more about the international opportunities available by attending promotional events, visiting [our website](#), and keeping an eye on our social media and the **Student Hub**

1

Right from the start of your student journey

Raise your interest with the International Opportunities Team and/or your Exchange Coordinator. You can find out who they are at salford.ac.uk/international-opportunities/things-to-know

2

/ As soon as possible in your first year if you would like to take part in a study exchange the following September. We will need final confirmation by 5 March
/ Ideally by 5 March if you would like to take part in a study exchange in January of the following year. We would also welcome applications submitted by 1 October

Research the country and institution you are planning to go to - our website provides a lot of useful information. We will also ask you to complete a Student Planning Document and a Permission Form as part of your application

3

As soon as your Exchange Coordinator confirms you are eligible to take part in the programme

You will complete an internal application form and the International Opportunities Team will nominate you to your chosen institution

4

The deadline will be set by our partner universities. Usually, students due to go abroad in September are nominated by the end of April and those going abroad in the second trimester of their second year are nominated by the end of October

Your chosen institution will confirm the next steps if you are officially accepted

5

This is usually done within three to four weeks following submission of your application

You will be provided with all the relevant pre-departure information and documentation to be completed

As soon as you can provide an official acceptance letter/email issued by your host institution

YOU ARE GOOD TO GO!
(provided you have completed all the necessary documentation and made all relevant arrangements)

7

Your start date will be provided by the host institution

INTERNATIONAL WORK EXPERIENCES

ERASMUS+ FOR TRAINING*

WHO?

All students. Options vary depending on your subject area. Please check with your Exchange Coordinator or Programme Leader.

WHAT?

- / Placements, internships, traineeships and jobs. Must be relevant to your study path. Also virtual
- / Often summer work placements (voluntary); sometimes part of the student's academic programme (i.e. credit bearing)
- / Also available as a sandwich year for some courses (between second and final year)
- / May also be available as graduate traineeships

HOW LONG FOR?

Minimum duration of two months, maximum duration of twelve months.

WHERE?

Any university, organisation or company operating in one of the eligible countries, (see erasmusplus.org.uk/participating-countries) i.e. an Erasmus+ agreement between the University of Salford and the host institution is not required.

COST

The Erasmus+ monthly grant ranges between €470 and €520 depending on your chosen destination. Some employers will also offer a salary and/or a reimbursement of some expenses. If you take a sandwich year, you won't have to pay tuition fees for that specific year. The Erasmus+ grant is not available for virtual placements. For further information, please see Appendix A.

* Please note that the future participation of the UK in the Erasmus+ programme is only guaranteed up until May 2023 (correct at time of production, December 2020)

Our social media:

 [@UoS_IntOpps](https://twitter.com/UoS_IntOpps)  [/Salford International Opportunities](https://www.facebook.com/SalfordInternationalOpportunities)  [salfordintopps](https://www.instagram.com/salfordintopps)

HOW TO SOURCE A PLACEMENT?

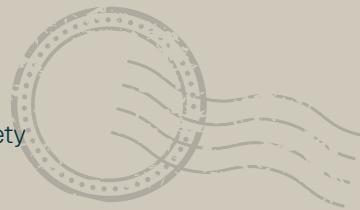

- / By attending placement sessions organised in your school
- / By talking to academic tutors as they may have useful contacts abroad
- / By browsing job sites (like you would do if you were looking for a job in the UK)
- / By contacting potential employers directly
- / By visiting erasmusintern.org
- / By keeping an eye on our social media
- / By visiting ec.europa.eu/eures/public/en/jobseekers-dashboard
- / By keeping an eye on the opportunities at salford.ac.uk/askus/work-and-careers
- / By looking at our Traineeship Toolkit salford.ac.uk/international-opportunities/erasmus-outgoing-students

For more info, visit salford.ac.uk/io or fill in our [enquiry form](#).

FURTHER OPPORTUNITIES

The International Opportunities Team promotes a variety of work placement schemes, both virtual and abroad.

WHAT IS AVAILABLE?

New work placement opportunities become available on a regular basis. Here are a few examples:

- British Council Generation UK China programme: a funded two month work experience in China - britishcouncil.org/study-work-abroad/outside-uk/internships-china
- Mitacs scheme: a fully funded three month research internship in Canada - mitacs.ca/en/programs/globalink/globalink-research-internship
- British Council Language Assistant Programme: an opportunity to teach English overseas on a paid six month or one year placement working as a language assistant - britishcouncil.org/study-work-abroad/outside-uk/english-language-assistants

Several other opportunities will also be promoted and managed by the Careers Team and within your school. Keep an eye on their website as well as your student email and Blackboard.

Please note: these opportunities are often offered and managed by third-party providers. Students who choose to take part in opportunities offered by third-party providers do so at their own risk but are asked to keep the University's recommendations in mind.

HOW CAN I FIND OUT MORE?

Work placement opportunities vary year on year and are promoted as and when they open for applications via the **Student Hub** and student newsletter, as well as on our **website** and social media. Keep an eye out!

COST

These opportunities are often partly or fully funded by the provider. We may also be able to contribute to student travel expenses. *For more information see Appendix A* and keep an eye on the channels above.

Our social media:

 [@UoS_IntOpps](https://twitter.com/UoS_IntOpps)  [/Salford International Opportunities](https://www.facebook.com/SalfordInternationalOpportunities)  [salfordintopps](https://www.instagram.com/salfordintopps)

SHORT COURSES AND SUMMER SCHOOLS, VIRTUAL OR ABROAD

These are a great opportunity if you don't want to commit to a long period of time abroad. These options may be open to all students or be specific to students from certain academic areas. The International Opportunities Team facilitates and highly encourages students' participation in short courses and summer schools.

Please note: these opportunities are often offered and managed by third-party providers. Students who choose to take part in opportunities offered by third-party providers do so at their own risk but are asked to keep the University's recommendations in mind.

COST

Often, these opportunities are partly or fully funded by the organising body or institution. Discounted or free places may also be offered by partner institutions. We may also be able at times to contribute to student travel expenses.

HOW CAN I FIND OUT MORE?

Opportunities will be promoted as and when they become available via the **Student Hub**, student newsletter as well as our, social media and website.

Keep an eye out!

Our social media:

 [@UoS_IntOpps](https://twitter.com/UoS_IntOpps)  [/Salford International Opportunities](https://www.facebook.com/SalfordInternationalOpportunities)  [salfordintoppss](https://www.instagram.com/salfordintoppss)

INTERNATIONAL ACTIVITIES ON CAMPUS AND VIRTUAL OPPORTUNITIES

International activities on campus are aimed at creating an international dimension and giving you global exposure without leaving Greater Manchester. We are aware that not all students may not, for a variety of reasons, be able to be internationally mobile during their studies, therefore it is our priority to make sure that every student fully participates in international activities even without going abroad. Our goal is to integrate experiences and knowledge of local and international students from diverse backgrounds and prepare all students for an increasingly international workplace.

Keep an eye on our social media and at **website** to find out about the events we are organising throughout the year.

Some of the activities we have been running include:

- Global Week: a week of fun activities aimed at promoting internationalisation and the value of global citizenship
- Global Fair: an event where students can find out about our partner institutions across the world
- International Futures: a series of online events for our students to discuss our wonderful world

Various activities are also organised by:

- Our Students' Union - [salfordstudents.com](https://www.salfordstudents.com)
- The International Society - [internationalsociety.org.uk](https://www.internationalsociety.org.uk)

Virtual opportunities enable students to engage in intercultural experiences online with the aim of increasing, amongst others, mutual understanding, global citizenship, digital literacy, and language learning.

We have put together a 'Stay International Toolkit' to help you become a global citizen from your own sofa - [salford.ac.uk/sites/default/files/2020-10/International_toolkit.pdf](https://www.salford.ac.uk/sites/default/files/2020-10/International_toolkit.pdf)

HOW CAN I FIND OUT MORE?

Opportunities will be promoted as and when they become available via the **Student Hub**, student newsletter as well as our social media and website. Further opportunities will be managed and promoted within schools. Keep an eye on their website as well as your student email and Blackboard.

APPENDIX A – FINANCIAL SUPPORT

ERASMUS+ FOR STUDIES AND WORK PLACEMENTS

- / €370/€420 (study placements) or €470/€520 (work placements) Erasmus+ grant a month depending on your chosen country
 - / If you are a UK/EU student undertaking a full year study placement, you may be eligible for an 85% reduction of your tuition fees for the year
 - / You are not required to pay any tuition fees to your host university
 - / Some work opportunities might offer a salary and/or a reimbursement of some expenses – please check with your employer
 - / Santander travel grants for the following countries: Belgium, Germany, Poland, Portugal, Spain – keep an eye on the University of Salford Student Hub or email enterprise@salford.ac.uk.
 - / Travel grants are also made available by the Government – gov.uk/travel-grants-students-england.
- Additional financial support might be available, on a case by case basis, if:
- / You are from a disadvantaged background
 - / You have a disability
 - / You need a visa
 - / You would like to undertake a language course before leaving for your chosen country.

Please contact our team if any of the above applies to you.

- / You are still eligible for your Student Finance loan if you receive it – please liaise with Student Finance directly.
- / The Intern Group Scholarship for work placements in Dublin sourced via The Intern Group – theinterngroup.com/scholarships.
- / John Speak Trust Scholarships – johnspeaktrust.co.uk.
- / QS moveON Stand Out Scholarship – topuniversities.com/scholarships.

- / Jack's flight club – jacksflightclub.com/study-abroad-grant.
- / World Nomad – worldnomads.com/create/scholarships.
- / German Academic Exchange Service – daad.org.uk/en/find-funding/scholarship-database.
- / Activia Training UK Scholarship – ukscholarships.com/activia-training-uk-scholarship.

INTERNATIONAL EXCHANGES

- / UK/EU students undertaking a full year study placement may be eligible for an 85% reduction of their tuition fees for the year (please note that students undertaking a sandwich year do not pay tuition fees for the additional year).
- / You are not required to pay any tuition fees to your host university.
- / You may be eligible for Butex scholarships – please visit butex.ac.uk/scholarships.
- / Santander Travel Grants available for the following countries: Argentina, Brazil, Chile, Colombia, Mexico, Puerto Rico, Uruguay, USA – keep an eye on the University of Salford Student Hub or email enterprise@salford.ac.uk.

Additional financial support might be available, on a case by case basis, if:

- / You are from a disadvantaged background
- / You have a disability
- / You need a visa
- / You would like to undertake a language course before leaving for your chosen country.

Please contact our team if any of the above applies to you.

- / You are still eligible for your Student Finance loan if you receive it – please liaise with Student Finance directly.
- / John Speak Trust Scholarships – johnspeaktrust.co.uk.
- / Jack's flight club – jacksflightclub.com/study-abroad-grant.
- / Sogang University Scholarship – you can apply directly to Sogang when completing your exchange application form.
- / World Nomad – worldnomads.com/create/scholarships.

WORK PLACEMENTS OUTSIDE EUROPE, SHORT-COURSES AND SUMMER SCHOOLS

- / Very often, these opportunities are partly funded by the organising body/institution.
- / Financial support towards costs for visa may be available – ask our team.
- / Santander Travel Grants available for the following countries: Argentina, Brazil, Chile, Colombia, Mexico, Puerto Rico, Uruguay, USA, Belgium, Germany, Poland, Portugal, Spain, China, Russia, Singapore, South Korea, UAE, Ghana – keep an eye on the University of Salford Student News website or email enterprise@salford.ac.uk
- / Jack's flight club – jacksflightclub.com/study-abroad-grant.
- / World Nomad – worldnomads.com/create/scholarships.
- / German Academic Exchange Service – daad.org.uk/en/find-funding/scholarship-database.

- / Activia Training UK Scholarship – ukscholarships.com/activia-training-uk-scholarship.
- / The Intern Group scholarships – theinterngroup.com/scholarships.
- / InternChina scholarships – internchina.com/scholarships.

- / The ACU scholarships – acu.ac.uk/funding-opportunities-for-students/summer-school-grants.

- / Pagoda Projects scholarships – pagodaprojects.com/scholarships.

...and don't forget to apply for an ESN Card to benefit from several discounts for Erasmus+ students – esncard.org. And finally, a TOTUM card also includes several international discounts – totum.com/international-student-discounts

HAVE YOU CONSIDERED FUNDRAISING?

Find out more at: salford.ac.uk/askus/careers-jobs-and-my-future/funding-finance-and-investment

SUSTAINABLE TRAVEL GRANTS

We strongly believe in combatting climate change. A small number of grants will be available to students who decide to travel to their host destination by train rather than plane. Keep an eye on our social media to find out more!

APPENDIX B – INTERNATIONAL EXCHANGE PARTNERS

AUSTRALIA

Royal Melbourne Institute of Technology

Study in the heart of the world's most liveable city! Founded in 1887, RMIT has grown alongside the City of Melbourne. Their largest campus is in the heart of Melbourne's CBD and within easy reach of everything the city has to offer. Please note that RMIT also has campuses in Vietnam. See information under 'Vietnam' for more details.

RMIT is home to approximately 18,000 international students from more than 100 countries and when you study at RMIT you are part of a vibrant and welcoming university filled with social, cultural, sporting and recreation activities.

Open to students from: all schools.

Number of places available: Four full-year or eight trimester-only students (combined with the Vietnam campus).

Website: rmit.edu.au

VIETNAM

Royal Melbourne Institute of Technology

RMIT Vietnam was established in 2000 and has grown into a leading university in the region, with two well-equipped campuses in Ho Chi Minh City and Hanoi, and an English language centre in Danang.

Open to students from: all schools.

Number of places available: Four full-year or eight trimester-only students (combined with the Australia campus).

Website: rmit.edu.vn

CANADA

Humber College

Have you ever imagined yourself living in a multicultural city? Toronto, in Ontario, is your place. The city welcomes more than 5 million people from all around the world in a safe and vibrant environment. It's a great place to start (or continue) your dreams. Live in Toronto and you'll know it!

Open to students from: School of Arts, Media and Creative Technology: Art and Design, English and Creative Writing, Journalism, Media, Music, Performing Arts, Politics and History.

Salford Business School: Accounting and Finance, Business and Economics, Business and Financial Management, Business and Management, Business and Tourism Management, Business Information Technology, Business Management with Law, Business Management with Sport, HR Management, International Events Management, Marketing, Enterprise, Leadership and Management.

Number of places available: School of Arts, Media and Creative Technology: seven full-year or 15 trimester-only students; Salford Business School: one full-year student or two trimester-only students.

Website: humber.ca

Thompson Rivers University

TRU's Kamloops and Williams Lake campuses are located on the traditional territory of the Secwepemc peoples, in British Columbia's southern interior. In Kamloops (from the Secwepemc word for "meeting of the waters"), the main campus overlooks the junction of the North Thompson and South Thompson rivers, from which the university gets its name. Today, 14,000 students study on campus in Kamloops, Williams Lake, or at the regional centres in 100 Mile House, Clearwater, Barriere, Ashcroft, and Lillooet. Our campuses also welcome the community, with conferences and events such as the Canada Summer Games and the Kamloops Marathon, and opportunities to learn through continuing education and visiting speakers like John Ralston Saul, Peter Mansbridge and Margaret Atwood.

Open to students from: all schools.

Number of places available: Three full-year or six trimester-only students.

Website: tru.ca

Montréal University

Note that Montréal teaches in French – you must have Intermediate French language skills (B2) to take part in this exchange.

Just a short trip away from East-Coast USA, Montreal is the hub of North America's Francophone culture. When you visit this truly bilingual city, you will be instantly enchanted and want to immerse yourself in its vibrant communities. You'll quickly feel at home there, not only because you are close to home, but also because you'll be surrounded by like-minded people who share the same dreams as you.

Montreal is renowned for its welcoming, open and creative culture with an irresistible European charm, and was ranked in 2018 as the top student city in the world for its university experience and the fact that it encourages students to stay after graduation.

Open to students from: all schools.

Number of places available: five full-year students or 10 trimester only students.

Website: umontreal.ca/en

CHINA

Zhejiang Fashion and Technology Institute

This partnership is managed internally with the Fashion directorate in the School of Arts and Media. If you are interested in opportunities at Zhejiang Fashion Institute of Technology, please contact the School of Arts, Media and Creative Technology at am-exchanges@salford.ac.uk.

Zhejiang Fashion Institute of Technology is a public full-time institution of higher learning which is engaged in higher vocational and technical education. It is an exemplary higher vocational college of Zhejiang Province founded by Ningbo Municipal Government. Lying in the east of Zhejiang, Ningbo sits at the mid-point of the Chinese coastline, towards the south of the Yangtze Delta and has a population of nearly six million people.

Open to students from: School of Arts, Media and Creative Technology: BAs in Fashion Image Making and Styling and Fashion Design.

Number of places available: Two full-year or four trimester-only students.

Website: english.zjff.edu.cn

HONG KONG

City University Hong Kong

In recent years, CityU has performed strongly in university rankings and is currently among the top 10 in Asia and the top 100 in the world. It is a fast-growing institution with undergraduate and postgraduate students and academic staff in business, creative media, data science, energy and environment, engineering, humanities and social sciences, law, science, and veterinary medicine and life sciences.

CityU's proximity to, and close ties with, mainland China, as well as its international partnerships and outlook, make the University ideally positioned to provide a dynamic learning and research environment for students and faculty from all over the world. Both the stature and sheer volume of CityU's relationships with global institutions continue to grow.

Open to students from: School of Health and Society.

Number of places available: Three full-year or six trimester-only students.

Website: cityu.edu.hk

INDIA

Indian Institute of Management (IIM) Kashipur

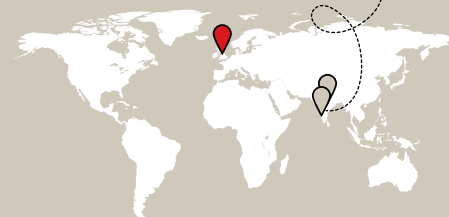

Both IIM's in India are partnerships under development with Salford Business School. Please contact SBS-StudyAbroad@salford.ac.uk if you are interested in either opportunity.

The Indian Institute of Management Kashipur is a new entrant in the elite league of IIMs. The institute is set up with the objective of providing quality management education while sensitizing students towards the needs of the society. The institute is in one of the most densely industrialized regions in the country with over 180 industries having plants in and around the region and many more coming up. This places the institute at a vantage point when it comes to 'Learning by Doing' via frequent industry interactions and live projects. IIM Kashipur believes in a strong industry connect and has invested in developing relationships with local industries.

Open to students from: Salford Business School.

Number of places available: Agreed on an annual basis.

Website: iimkashipur.ac.in

Indian Institute of Management (IIM) Kozhikode

This partnership is managed within Salford Business School. Please contact SBS-StudyAbroad@salford.ac.uk for further information.

Spread over about 112.5 acres of land, the Indian Institute of Management Kozhikode, is situated on two hillocks in the Kunnamangalam Area of ancient city of Calicut in Kerala. Boasting of one of the most picturesque and oxy-rich campuses in the country, the world class infrastructure includes air-conditioned classrooms, guest care areas and LAN/WAN connectivity which enables every IIMK resident to be exposed to a wholesome experience. It is one of the most efficient Institutions in the country, which knows how to keep balance sheet green and keep all the stakeholders happy.

Open to students from: Salford Business School.

Number of places available: Agreed on an annual basis.

Website: iimk.ac.in

MALAYSIA

Multimedia University of Malaysia

With its diverse mix of ethnicities and tropical weather all year long, Malaysia is a place unlike any other. Located in Southeast Asia, the country is a melting pot of culture, food and celebrations, besides having blessed with world-famous tourist attractions all over the country.

Kuala Lumpur, the capital of Malaysia, is a vibrant and bustling metropolis that never sleeps. With Petronas Twin Towers as the major landmark decorating its skyline, the city also boasts a well-connected public transportation, besides being one of the greatest shopping destinations in the region.

Columbia College Chicago

Study, live, work, and play in America's third-largest city, one full of world-class culture and art, creative energy, and professional opportunities. As a Columbia College Chicago student, the city is at your fingertips. Explore, collaborate, and take advantage of Columbia's connection to the creative industries in Chicago.

This isn't your traditional campus, and we think that's exciting! Columbia occupies more than 15 academic, administrative, and residence life buildings in the South Loop neighbourhood, part of the city's downtown area and central business district. Campus stretches just over a mile from north to south and approximately three blocks wide. You'll find everything you need within walking distance: classes, cultural destinations, grocery stores, restaurants, and more.

Open to students from: School of Arts, Media and Creative Technology.

Number of places available: Five full-year or 10 trimester-only students.

The University of Toledo

This partnership is managed internally within the School of Science, Engineering and Environment.

We have had an exchange programme with the University of Toledo in Ohio for more than 30 years. The University of Toledo is considered to be a top global player when it comes to taking research from the laboratory to the world, and has been recognised by the American Society of Landscape Architects as one of the 22 most beautiful landscaped campuses in the United States. The University of Toledo is based in an Ohio and just an hour's drive from Detroit - the largest city in Michigan. Detroit has a major international airport, hosting one of the largest airline hubs in the country, meaning that travel around the USA and further afield whilst you are on exchange is very easy. Situated on the western trip of Lake Erie, Toledo is less than a five-hour drive from Toronto and Chicago.

Open to students from: School of Science, Engineering and Environment: Biology with studies in the USA, Biochemistry with studies in the USA, Physics with studies in North America

Number of places available: agreed on an annual basis.

Winona State University

Widely known for our stunning natural setting, the WSU Winona campus is nestled between picturesque bluffs and the Mississippi River - meaning that rock climbing, paddle boarding, hiking, kayaking (and more) are within a mile of campus. Additionally, the city of Winona is home to a wide range of art, music and theatre opportunities, as well as museums, local boutiques, and festivals galore.

WSU's second campus is located in Minnesota's third largest city - Rochester. The city is a dynamic, urban hotbed for industry, arts and culture and was ranked the #1 city of Top 100 Best Places to Live by Livability.com in 2016.

Open to students from: all schools.

Number of places available: This agreement is based on one to one exchange. Please contact your exchange coordinator to discuss.
