Exchange students have to apply for a visa (D-2-6) prior to their arrival in Korea. Students need to take the documents included in their acceptance package to the local Korean Embassy or Consulate and apply for visa.

### Required documents for visa application

- Certificate of Admission
- Certificate of Business Registration of Sogang University
- Visa Application Form

Additional documents may be required depending on the student's place of residence.

Please contact the local Korean Embassy or Consulate and check the documents required for visa application. It is strongly recommended that students plan ahead and apply for their visa as soon as they receive their acceptance packages.
