

Technicians Commitment 36 Month Action Plan

The Technician Commitment is a driving tool to develop and enhance technicians. Its vital our Technician Commitment Action Plan reflects the needs of our technicians.

The actions in this plan are all determined and importance voted for by technicians to make a technician focused plan.

Led by our university project team, we will achieve these actions together for a better technician future.

**‘OUR ACTION PLAN IS BASED
ON OUR TECHNICAINS FOR
OUR TECHNICAINS’**
