

Listen up!

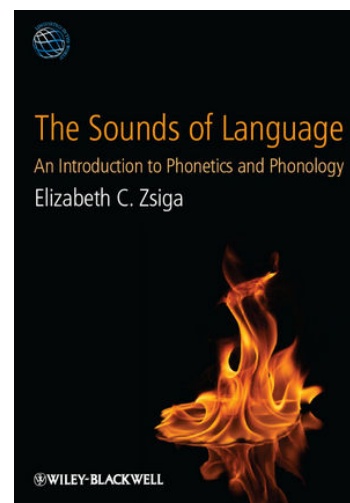

Your recommended textbook is now available as an audio textbook, completely free of charge! A great addition to your learning toolkit.

Free Trial!

Your recommended textbook, *The Sounds of Language: An Introduction to Phonetics and Phonology* is now available as an audio textbook via the Google Play Books App.

This is a **free trial for University of Salford students**, and is available to download until 31st July 2022.

Benefits of audio textbooks:

- ✓ Anywhere, anytime access – perfect for busy students on the go
- ✓ An alternative, immersive experience, great for tired eyes
- ✓ Help with pronunciation, particularly important with scientific terminology
- ✓ An excellent resource for auditory learners or students with accessibility requirements
- ✓ All completely free of charge

For access, simply go to the [Google Play Store](#) and redeem your free audio textbook using code: **MWS0MJLYSHZZ8**

We would love to hear your feedback and ask that you complete a short, anonymous survey at the end of term.
