

## Advanced Medical Imaging 2025 26

week commencing	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
September					
08-Sep-25	AMI All workstreams - pre-reading/activity will be set, to be completed at your convenience prior to induction, see welcome letter				
		EPP		RMPH / LCSPI	
15-Sep-25		EPP		RMPH / LCSPI	
22-Sep-25			AMI Induction All clinical workstreams (on campus)	AMI All clinical workstreams day 1 (on campus)	PAP day 1 (on campus)
		EPP		RMPH / LCSPI	Dissertation Induction (online)
29-Sep-25		EPP		RMPH / LCSPI	PAP day 2 (online)

## Advanced Medical Imaging 2025 26

week commencing	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
October					
06-Oct-25		EPP		RMPH / LCSPI	PAP day 3 (online)
					Dissertation follow up (online)
13-Oct-25		EPP		RMPH / LCSPI	
		Breast US day 2 (online)	Cardiac Stress day 2 (online)	Chest Reporting day 2 (online)	Upper GI day 2 (online)
			HSG day 2 (online)	MSK Reporting day 2 (online)	Proctogram day 2 (online)
				Mammography reporting day 2 (online)	
20-Oct-25		EPP		RMPH / LCSPI	
27-Oct-25		EPP		RMPH / LCSPI	

# Advanced Medical Imaging 2025 26

week commencing	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
November					
03-Nov-25		EPP		RMPH / LCSPI	
				Chest Reporting day 3 (online)	Upper GI day 3 (online)
				MSK Reporting day 3 (online)	Proctogram day 3 (online)
10-Nov-25		EPP	Cardiac Stress day 3 (online)	RMPH / LCSPI	PAP assessment support (online)
			HSG day 3 (online)		
17-Nov-25		EPP		RMPH / LCSPI	
		Breast US day 3 (on campus)	Breast US day 4 (on campus)		
		Breast intervention day 2 (on campus)	Breast intervention day 3 (on campus)		
24-Nov-25		EPP		RMPH / LCSPI	
				Chest Reporting day 4 (online)	Chest Reporting day 5 (online)
				MSK Reporting day 4 (online)	MSK Reporting day 5 (online)
				Mammography reporting day 3 (online)	

## Advanced Medical Imaging 2025 26

week commencing	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
December					
01-Dec-25		EPP	Cardiac Stress day 4 (directed activity)	RMPH / LCSPI	Upper GI day 4 (online)
					Proctogram day 4 (online)
08-Dec-25	clinical review 1 deadline	EPP		RMPH / LCSPI	PAP assignment submission Friday 12th
15-Dec-25		EPP	Clinical workstreams assessment brief/discussion with ML (online)		

## Advanced Medical Imaging 2025 26

week commencing	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
January					
05-Jan-26	CSRR day 1 (online)				
12-Jan-26	CSRR day 2 (online)		Cardiac Stress ECG study day (on campus)		
19-Jan-26	CSRR day 3 (online)				
26-Jan-26		Breast US day 5 (online)	HSG day 4 (online)	Chest Repoprting day 6 (online)	Upper GI day 5 (online)
				MSK Reporting day 6 (online)	Proctogram day 5 (online)
				Mammography reporting day 4 (online)	
04-May-26	Bank holiday				
11-May-26	SPDU assessment (mon-wed individual times TBC)				

## Advanced Medical Imaging 2025 26

week commencing	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
February					
16-Feb-26		Breast US day 6 (online)	Mammography reporting day 5 (on campus/site)	Mammography reporting day 6 (on campus/site)	
23-Feb-26	Scientific Principles Diagnostic Ultrasound wk 1				

# Advanced Medical Imaging 2025 26

week commencing	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
March					
02-Mar-26	clinical review 2 deadline			Chest Reporting day 7 (on campus)	Chest Reporting day 8 (on campus)
				HSG day 5 (on campus)	HSG day 6 (on campus)
				Proctogram day 6 (on campus)	Proctogram day 7 (on campus)
				Upper GI day 6 (on campus)	Upper GI day 7 (on campus)
				MSK Reporting day 7 (on campus)	MSK Reporting day 8 (on campus)
09-Mar-26					
16-Mar-26	Scientific Principles Diagnostic Ultrasound wk 2				
23-Mar-26	Core Skills Reporting module assessment support (online)	Breast US day 7 (online)			
		Breast intervention day 4 (online)			

## Advanced Medical Imaging 2025 26

week commencing	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
April					
20-Apr-26			HSG day 7 (online)	Chest Reporting day 9 (online)	Proctogram day 8 (online)
				MSK Reporting day 9 (online)	Upper GI day 8 (online)
				Mammography reporting day 7 (online)	
27-Apr-26		Extending Advanced Practice module portfolio support (online)			CSRR assignment submission Friday 1st May
		Advanced Procedures module assignment support (online)			

## Advanced Medical Imaging 2025 26

week commencing	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
May					
04-May-26	Bank holiday				
11-May-26	SPDU assessment (mon-wed individual times TBC)				
18-May-26					
25-May-26					
June					
01-Jun-26	clinical review 3 deadline	EAP / Dynamic studies (mock viva) assessment support <u>on campus</u>			
08-Jun-26		ACR and RII (mock viva/osce) assessment support <u>on campus</u>			
15-Jun-26					
22-Jun-26	AP module CRA and assignment submission Monday 22nd				
29-Jun-26	EAP portfolio and CRA submission. DS assignment and CRA submission Monday 29th				
July					
06-Jul-26		Dynamic viva / EAP viva <u>on campus</u> (individual times TBC)			
13-Jul-26	RII/ACR CRA submission Monday 13th				
20-Jul-26		RII Mammo reporting, ACR Chest and RII MSK osce/viva <u>on campus</u> (individual times TBC)			

KEY:

Indicated on the timetable	Associated Modules	Notes for Learners
All clinical modules	Any learners completing a practical or reporting workstream.	This may be induction, teaching or assessment brief/support. Refer to your clinically focused module for information about attendance and scheduled activity.
Dissertation	Dissertation module only	There are 2 timetabled days at the start of the year after which you will negotiate your supervision meetings
PAP	Principles of advanced practice	15 credits completed as part of a PGCert or as co-requisite for Advanced Procedures module
CSRR	Core skills radiological reporting	15 credits completed as part of a PGCert and as co-requisite with any clinical modules in which reporting is an intended learning outcome
Breast intervention	Advanced procedures	15 credits as co-requisite for Principles of advanced practice
Cardiac Stress	Advanced procedures	
Breast US	Extending Advanced Practice	30 credits completed as part of a PGCert or as co-requisite to SPDUI module.
SPDUI	Scientific Principles of Diagnostic US	15 credits completed as part of a PGCert or as co-requisite for EAP module
Chest Reporting	Adult Chest Reporting	30 credits completed as part of a PGCert or as co-requisite to CSRR module. For learners with a PGCert in reporting, Adult Chest Reporting (ACR) or Radiological Image Interpretation (RII) may be taken as a standalone module to support an extended scope of practice.
MSK Reporting	Radiological Image Interpretation or Extending Advanced Practice.	
Mammography reporting	Radiological Image Interpretation.	30 credits completed as part of a PGCert or as part of breast advanced practice MSc. RII is co-requisite to CSRR module.
Upper GI	Dynamic Studies or Extending Advanced Practice	30 credits completed as part of a PGCert or as co-requisite to CSRR module. For learners with a PGCert in fluoroscopy, EAP can be taken as a standalone module to support an extended scope of practice.
Proctogram		
HSG		
EPP	Education principles and practice	Modules operated by another directorate but offered as an optional, 30 credit module in AMI. Please contact J.Ashworth@salford.ac.uk to discuss.
RMPH	Research methods Applied to Public Health	
LCSPI	Leading change for service and patient improvement
