## Introduction

These Terms and Conditions (defined in section 24 *Glossary of Terms* below) apply to all applicants who have accepted an offer to study a Programme (defined in section 24 *Glossary of Terms* below) with the University of Salford and who are registering as new students, and all existing students of the University of Salford who are re-registering to study a Programme after the 1 August 2026, with two exceptions:

- if you are a higher or degree apprenticeship student, then the terms and conditions which apply to you can be found at our [Student Terms and Conditions](#) page
- if another provider is responsible for delivering all or part of your programme in collaboration with the University of Salford, and you are paying tuition fees directly to that provider, then in addition to the provider's terms and conditions, you will be bound by our terms and conditions which can be found at our [Students Terms and Conditions](#) page

These Terms and Conditions are legally binding and set out the provisions that are central to the University of Salford's (the **University, we, us, our**) relationship with you (**you, your**). Further information regarding the University including its address is set out in section 25 *About Us and Contact* below.

**IMPORTANT OR SUPRISING TERMS. You should read these Terms and Conditions very carefully before accepting an offer from us as they contain important information regarding your Contract with us; particular attention is drawn to the sections in bold type including: in this Introduction; sections 1 (a), (b) (Your Contract with us and its formation); 1 (e) Freedom of Speech and Academic Freedom] 2 (b) (Fees, payment, and tuition fee increases), 2 (h) (Non-payment of tuition fees and other charges) 2 (j) 2 (n) and 2 (r) administration fees payable; 2 (t) Tuition Fee Payments and the Lifelong Learning Entitlement (LLE) 4 (a) (g), and (i) (Rules and Regulations); 5 (a) (Withdrawal of/changes to Programmes and modules); 5 (f) (Circumstances beyond our control where we shall not be liable to you); 6 (If you want to leave your Programme and the University); 7 (Circumstances in which we may cancel your Contract and remove you from your Programme); 13 (Intellectual Property and Ownership of Your Work); 15 (Our Liability to You); and 19 (Changes to terms and conditions).**

These Terms and Conditions apply to students from the moment they accept an offer to study/research with the University and may be updated each year (see sections 1 and 19 below for further details). By signing your offer letter contract, and accepting our offer, a contract will be formed between You and the University. **It is very important that you review these Terms and Conditions, and the documents detailed within them, carefully before accepting any offer made by the University, or re-registering each year.**

If you would like more information or are unsure about anything in these Terms and Conditions, please refer to the dedicated zone on our [Student Terms and Conditions](#) page. If you would like these Terms and Conditions in another format (for example: audio, large print, braille) please contact us using the contact details at section 25 *About US and Contact* below.

There is a Glossary at the end of these Terms and Conditions (see section 24 *Glossary of Terms* below) which explains the meaning of certain words that we use.

## 1. Your Contract with us and its formation

a. You will have a legally binding contract with us on the date you accept the offer in our offer letter - even if you still have outstanding conditions to fulfil at the date you accept (**Contract**). However, the Contract will be automatically cancelled if you do not meet all of the conditions on which the offer is made.

**i. As a requirement for studying your Programme, you must register with us before the start of each year of study. Only students who are registered with us within the registration period will have access to our facilities and services. The registration period ends 2 (two) weeks after your Programme starts in each study year.**

**If our offer is conditional, you must have satisfied all of the conditions set out in the offer letter before you register as a student and start your Programme. Conditions must also be satisfied within any timescale we have specified in our offer letter.**

**Your Contract with us will be cancelled and you will be removed from your Programme if you do not register for any year of study within the registration period. Your Contract with us will also be cancelled if you do not register and we have not agreed an Interruption of Study (break in learning) (defined in Section 23 Glossary of Terms below) within 2 weeks of the start date of your Programme (see section 7 (a) (iii) below).**

ii. If you change your mind after registering for the first year of study, you may cancel your Contract at any time up to the end of the registration period (see section 6 *If you want to leave your Programme and the University* below, and our [Refund and Compensation Policy](#) for further information).

iii. After you have accepted your offer of a place, you have a statutory right to cancel your acceptance within 14 (fourteen) days without giving any reason, and obtain a full refund of any fees paid where teaching of your Programme has not yet started or a partial refund where teaching of your Programme has already begun, under the *Consumer Contracts (Information Cancellation and Additional Charges) Regulations 2013*. This cancellation period will expire after 14 (fourteen) days from the date you accept your offer (please refer to section 6 (c) below).

iv. The [Refund and Compensation Policy](#) provides further information about the deposit and explains any refund you may be entitled to if you decide to cancel your Contract with the University (see section 24 *List of our Rules, Regulations, Policies and Procedures* below). If you have any questions regarding cancelling your contract, please contact the Admissions Team (see section 26 *About Us and Contact* below).

v. Students will read and sign up to the University's Student Terms and Conditions as part of the registration process. The Student Terms and Conditions are listed on the following page on our website [Student terms and conditions](#) (full details of the Registration process can be found at [Registration University of Salford](#)). You only have one contract with us in respect of your Programme, and this is formed when you accept our offer (conditional or unconditional). No new contract will be created when you register for any future years of study or if you elect to change your Programme of study and this is approved by us.

vi. If your Programme is longer than one year, you will be asked to review and acknowledge the updated Terms and Conditions when you register for a new academic year. This

annual review does not establish a new contractual agreement; the original contract you entered into with us when you accepted our offer of a place on your Programme remains valid. The purpose of this review is to ensure you are aware of any revisions or updates we have made to the Terms and Conditions.

b. **Key elements of our Contract with you.** The Contract between you and us consists of the following documents:

- i. these Terms and Conditions;
- ii. our offer letter (if you have both conditional and unconditional offer letters, the unconditional offer letter takes precedence over the conditional offer letter);
- iii. information on the following link [Course Finder](#) (which supersedes and takes precedence over information about your Programme which is in our prospectus – see below);
- iv. our [Student Charter](#) and [Student Code of Conduct](#) which set out what you can expect from us and the behaviours, commitment and input that you will need to drive your academic success and student journey;
- v. if you are under the age of 18 at the time you first register with us, our Policy for the [Admission of Students Under 18 Years of Age](#);
- vi. our [Refund and Compensation Policy](#); and
- vii. all of the other Rules, Regulations, Policies and Procedures which apply to all students and which are accessible via the following page on our website [Current students- University of Salford](#) including the [Student Handbook](#) and [Academic Handbook](#).

The purpose of the above documents is so that you can understand what is expected of you and us.

c. **Unless you have a good reason for not doing so, you must attend all timetabled and scheduled events for your Programme and your attendance may be monitored. Failure to meet the minimum attendance and participation requirements as set out in the [Student Engagement, Interruption and Withdrawal Policy](#) may result in the Cancellation of Your Contract with us and removal from your Programme (see section 7 (a) (vii), (x), and (h) below).**

d. **Student visa holders must also follow the minimum attendance and participation requirements set out in the [Student Guide to the Attendance Monitoring Policy for Tier 4 Sponsored Students](#) (please see section 25 *List of Our Rules and Regulations* below). A failure to meet these requirements may result in Cancellation of your Contract with us and your removal from the Programme (see section 7 (a), (vii), (x), and (h) below).**

e. **[Freedom of Speech and Academic Freedom**

The University is committed to securing and actively promoting the importance of freedom of speech and academic freedom within the law, and our [Freedom of Speech Code of Practice](#) includes further information about how our commitment applies across our campus and activities, and the support which members of our community may access, and other steps they may take if they consider such freedoms have been undermined or compromised. By accepting your offer, and agreeing to these Terms and Conditions, you agree that the [Freedom of Speech Code of Practice](#) will apply to you as a member of the University and that you will behave compatibly with it.

## 2. Fees and payment

- a. These Terms and Conditions set out everything you need to know about our tuition fees.
- b. **The tuition fees for each year of study are set out in your offer letter. Increases may apply (see this section b and c (Tuition Fee Increases) below). By accepting the University's offer (conditional or unconditional) of a place on one of its Programmes set out in an offer letter and entering into a Contract with the University, you acknowledge and agree that you will be charged the appropriate tuition fee for each academic year of study.**

**You agree to pay the fees and charges applicable to your Programme as identified in your offer letter when they are due. If you have been classified as a Home Student and qualify for the government-regulated undergraduate or postgraduate tuition fee, you will be charged the appropriate tuition fee for each academic year of study. To reflect increased costs of delivery and maintain a high-quality student experience, the University will therefore increase fees in line with any uplift determined by the UK Government by law or government policy in the second and subsequent years of your Programme (up to a maximum of 10% each academic year). Such increases are usually linked to inflation and are determined using RPI-X (the Retail Price Index excluding mortgage interest payments), or such other inflation index deemed appropriate by the UK Government (see section 2 (c) below). The University will notify you of any fee increase as soon as practicable following any announcement by the UK Government regarding an increase to the maximum regulated fee.**

**For all other students who qualify for an unregulated undergraduate or postgraduate tuition fee, your tuition fees may increase in the second and subsequent years of your Programme (up to a maximum of 10% each academic year). Any increase in fees will be in line with inflation as determined using RPIX, or such other inflation index deemed appropriate by the University Leadership Team (see section 2 (c) below).**

### c. Tuition Fee Increases

- i. Tuition fees are set by the University, but for certain categories of fees including Regulated Tuition Fees (defined in section 24 Glossary of Terms below) the tuition fees charged are subject to maximum fee limits set by the UK Government.
- ii. The UK Government sets the maximum Regulated Tuition Fees the University can charge through *The Higher Education and Research Act 2017*. Regulated Tuition Fees will increase in the second and each subsequent year of your Programme by the rate of RPI-X Inflation (or such other inflation index) forecasted and deemed appropriate by the UK Government (up to a maximum of 10% each academic year), subject to the maximum fee limits set out by the UK Government.
- iii. Tuition fees that are not regulated by the UK Government i.e. Non-Regulated Tuition Fees (defined in Section 24 Glossary of terms below) will increase in the second and each subsequent year of your Programme. Non-Regulated Tuition Fees will increase by the rate of RPI-X Inflation (or other such inflation index) up to a maximum of 10%, in the second and subsequent academic year(s) of study at the time we start our annual fee review in November (for example, for fees for the 2027-28 academic year we will use the rate of RPI-X inflation or such other inflation index, at the time we start

or our review of fees in November 2025).

#### **d. Calculation of Tuition Fees**

- i. When you apply to us, your tuition fee status will be assessed by us as either Home Rate (defined in section 24 Glossary of Terms below) or Overseas Rate (defined in section 24 Glossary of Terms below). This tuition fee status assessment will impact the level of the tuition fee that you will be required to pay.
- ii. Your offer letter will confirm if you are eligible for tuition fees at the Home Rate, but we may change your status if we think there are grounds for completing a further fee assessment. We assess fee status according to guidance of the UK Council for International Student Affairs. If assessments by Student Tuition Fee Loan Company or under other regulations or guidance differ, our assessment will prevail. To retain Home Status, you must continue to satisfy all applicable eligibility requirements.
- iii. Unless we assess you as eligible for tuition fees at the Home Rate, you will be charged tuition fees at the Overseas Rate.
- iv. We have the right to reassess or rescind your tuition fee status where information comes to light that may affect a tuition fee assessment decision already made.
- v. Your tuition fees are set out in your offer letter.
- vi. Tuition fees are not discounted if you start your Programme late.
- vii. Tuition fees are not waived or reduced for any period during which you are suspended pending a disciplinary hearing.
- viii. If study abroad is integral to your Programme, but you end up spending 10 (ten) or more weeks with us in any academic year instead of being abroad as planned, you must pay us the full tuition fees for that academic year.
- ix. Tuition fees are not charged for placement years with the exception of MSc Project Management in Construction where a fee of £1,700 is payable (see section 2 (r) below). All other applicable fees and charges remain payable. Examples of these include travel, health insurance, visas, accommodation etc.
- x. If you believe your tuition fees have been charged or calculated incorrectly, in the first instance you should contact the Fees and Awards Team by email at [sa-tuitionfees@salford.ac.uk](mailto:sa-tuitionfees@salford.ac.uk) (clearly marking the email FEE APPEAL) and set out full details. If you are dissatisfied with the outcome, you can ask the Fees and Awards Team to review its decision or formally make a complaint using our Students Complaints Procedure (further information can be accessed via the following link: <https://www.salford.ac.uk/askus/topics/admin-essentials/student-and-academic-policies-and-procedures/complaints>
- xi. If you are funded by a Student Tuition Fee Loan and you wish to transfer to the University of Salford from another higher education institution (or vice versa), you should discuss the financial implications with both institutions before proceeding with the transfer. If you are transferring to us from another institution, the tuition fees you are charged will depend on the date of your transfer. You may be charged a proportion of the tuition fees for the year of transfer, taking into account any tuition fees charged by your previous institution, or you may be liable to pay the full annual programme fee even if your initial institution has charged tuition fees.
- xii. If you are transferring academic credit from another institution, you will be advised of any additional modules that you need to take and the applicable fees.

**e. If you have a Sponsor:**

- i. tuition fees must be paid in full at the start of each year of study. Payment by instalments is not an option;
- ii. If you are a sponsored student and your tuition fees are paid in part/full by any external organisation (e.g. embassy, employer or UK Government organisation), please note that you are not entitled to any of our scholarships or bursaries with the exception of the loyalty discount which is available to eligible students from September 2022.
- iii. you remain responsible for payment of tuition fees and we may invoice you personally for any unpaid balance;
- iv. you must provide us with a letter from your Sponsor before each year of study which confirms the payment of tuition fees for that year of study;
- v. you authorise us to disclose relevant information about you/your studies to your Sponsor unless you notify our Head of Income & Treasury Management that you do not wish disclosure to be made. This can be done either by post to the University of Salford, University House, The Crescent, Salford, M5 4WT or by email to the following email address: [income-treasury@salford.ac.uk](mailto:income-treasury@salford.ac.uk). However, on receipt of notification, you will be classed as a self-funding student and personally responsible for paying your tuition fees.
- vi. You (or your sponsor) must pay us your fees in full even if you have a complaint against us. If your complaint is upheld under our [Complaints Procedure](#), we will, on the conclusion of the process, pay you any refund or compensation that is awarded.

If you are sponsored by any external organisation (e.g. an embassy or other UK Government organisation), your Sponsor must pay each invoice for your tuition fees within 28 (twenty-eight) days starting on the date of issue of such invoice. The option of paying by instalments is not available to Sponsors. Unless you are a degree apprenticeship student, you must pay all outstanding amounts which your Sponsor fails to pay or stops paying.

**f. If you do not have a Sponsor**, it is your responsibility to make sure your fees and all expenses relating to your Programme are paid and you must pay your tuition fees as follows:

- i. For each year of study: payment must be made either in full before the date that year of study starts or, if you set up a recurring debit or credit card payment before the year of study starts, as follows\*:
  1. Undergraduate, Postgraduate Certificate or Postgraduate Diploma programme by 5 (five) equal and consecutive monthly instalments
  2. Any other Postgraduate programme by 7 (seven) equal and consecutive monthly instalments

(the first instalment will be on the last working day of the month immediately following the month in which that year of study starts)

\*Students who have a postgraduate loan from the Student Loans Company may set up a payment plan to coincide with their scheduled loan payments.

- ii. For each single module: payment must be made either in full before the date on which the module starts or (if you set up a recurring debit or credit card payment before the module starts) by 3 (three) equal and consecutive monthly instalments starting on the date on which the module starts.

iii. You are not able to register for another module with any tuition fee balance outstanding.

g. **Payment of Deposit.** Unless you are a Home Student or have a Sponsor, it is a condition of your Contract that you must pay us the deposit specified in your offer letter for each year of study\*:

- i. You must register within the registration period for that year of study (this period ends 2 (two) weeks after your Programme starts) and pay the deposit on or before registration.
- ii. Failure to pay your deposit on time may result in you being unable to register.
- iii. The deposit is not refundable unless one of the circumstances specified in the [Refund and Compensation Policy](#) applies.

\*If your deposit payment is flagged to us as suspicious (e.g. because you have tried to pay using a variety of different cards in different names), the deposit condition will not be satisfied, and we may cancel your Contract and remove you from the Programme.

h. **Non-payment of tuition fees and other charges.** We take debt recovery action for unpaid tuition fees, and other charges and fines. Where these remain unpaid after the due date your account may be referred to a debt recovery agency, and this may result in legal action being taken against you (please see point (h) iii below). The following also applies:

- i. Where tuition fees remain unpaid after the due date: Your assessment results may be withheld; you may not be allowed to continue with your Programme; you may be prevented from registering for the next year of your Programme, or from receiving an award or from attending a graduation ceremony; you may be suspended from accessing our library, computing and other facilities; we may withhold official documents including official transcripts and award certificates. In cases of continued or serious non-payment of tuition fees, the University may suspend or withdraw the student from their Programme. The University will normally provide notice of any intended action and an opportunity to resolve the outstanding debt before such measures are implemented.
- ii. **other unpaid fees such as library fines and, if applicable to your Programme, examination fees, bench fees, material costs and field trip costs:** you may be prevented from attending a graduation ceremony.
- iii. **If any tuition fees, library charges, fines, or other sums owed to the University remain unpaid after the due date, the University may take reasonable steps to recover the debt, including the use of external debt recovery agents. Where a debt is referred to a debt recovery agency, you will be liable for the reasonable costs incurred by the University in recovering the outstanding balance, including any agency fees actually charged to the University as part of that process. The University will ensure that any such costs are proportionate, clearly itemised, and no higher than the amount charged to the University by the external agency. Students will be notified in writing before any referral is made and given a reasonable opportunity to settle the outstanding balance directly with the University before recovery action commences.**
- iv. If you have completed your Programme, you may not be allowed to graduate and/or your degree certificate/academic statement may not be provided to you until your outstanding tuition fees have been paid.

i. **Repeating/retaking modules**

- i. If you need to Retake or repeat any module or repeat any year of study, you are liable to be charged additional tuition fees which will be the amount payable by students starting that module or year of study at that time. For example, if you are repeating a whole academic year, you will be charged for the full year, or if you are repeating a module, you will be charged on a per credit basis. If you fail a module at the first attempt, you may be reassessed in that module without any additional charge.
- ii. However, if you fail the reassessment, you will be required to pay the proportion of the tuition fees for the module you retake which is applicable at the time of the retake. This applies to all students, including those studying distance learning programmes.
- iii. None of the fee discounts, bursaries or scholarships are available for repeats or retakes.
- iv. **If you have a Tuition Fee Loan, you are advised to check that you qualify for funding for a retake as funding is dependent on your circumstances and may not be available.**
- j. You must pay us other additional amounts in certain circumstances, e.g. library fines and (if applicable to your Programme), examination fees, bench fees, material costs and field trip costs (for Programme specific information please refer to the Fees and Funding, additional costs section, of the Programme entry in our [Course Finder](#) page). **A fee of £100 (one hundred pounds) also applies to re-connect to our IT system if you have been disconnected as a result of not complying with the terms of our [ICT Acceptable Use Policy](#) (see section 4 (i) below). Failure to pay these charges may result in you being unable to attend your graduation ceremony.**
- k. Cancellations, interruptions and Suspensions of Study will not be back dated so you will continue to be charged tuition fees for the period up to and including the date we receive formal notification from you.
- l. Where your Contract is cancelled, but we subsequently agree that you may re-join your Programme, you must pay all tuition fees in full before resuming your Programme.
- m. Refunds will be paid, by the same method of payment, to the payer of the fees to which the refund relates. Further information about refunds is set out in our [Refund and Compensation Policy](#).
- n. **Students requiring visa sponsorship. An Administration fee of £500 is payable if we ask you for a pre-CAS interview which you fail (see section 11 *Students with Visas* below) and which results in your Contract being cancelled under section 7 (a) below. We may deduct this fee from any refund we owe you. This fee is to cover cost for processing your application up to the point of cancellation.**
- o. Any payments made to the University must be made by debit or credit card or International transfer via the Universities payment partner flywire. The University does not accept direct bank transfer payments.
- Payments are subject to UK Anti-Money Laundering regulations and due diligence checks. You must provide any information we request to verify the payment, and funds may be rejected and returned to the originating account.
- p. If your payment is flagged as suspicious through internal or external checks this may result in any offer to study being withdrawn and /or disciplinary action being taken against you.

q. Any students who are eligible prisoners in receipt of a Postgraduate student loan will need to provide confirmation of this to the Income and Treasury Team. Once confirmed payment will be made directly to the University from Student Finance.

r. **Student Tuition Fee Loans**

i. Where you have a Tuition Fee Loan from the Student Loans Company (SLC) the following applies:

i.i You will have a separate contract with SLC which it is your responsibility to fulfil.

i.ii If you wish to switch programmes, this will need to be agreed both by us and the SLC and by any Partner Institution where applicable.

i.iii You must register before the end of the registration period and your contract with SLC must be in place for you to do so. If not, you must arrange to complete a recurring card payment authority so that we are paid until your contract is in place.

ii. Any shortfall between your tuition fees/other charges and your Student Tuition Fee Loan must be paid by you in the same way as any self-funding student.

iii. Student Finance will only allow you to switch mode of study e.g. full time to part time, after the first liability date if you have not previously used your Gift Year (your Tuition Fee Loan has 3 liability periods during the academic year. The first liability date is after week 2 of teaching on your Programme). You will need to make a new application to Student Finance for the switch and if they approve this this will use up your Gift Year.

s. **Tuition Fee Payments and the Lifelong Learning Entitlement (LLE)**

i. Tuition fee payments are currently administered under the Student Finance funding model (Student Finance England, Scotland, Wales, and Northern Ireland). This model is expected to be replaced, from 2027, by the Lifelong Learning Entitlement (LLE) introduced by the UK Government.

ii. Under both models, your tuition fee liability to the University is determined in accordance with the University's Refund and Compensation Policy (see section 4.1). You remain personally responsible for payment of tuition fees and any other charges, regardless of the source or timing of funding received from the SLC or other funding bodies.

iii. Please note that the amount and timing of payments made by the SLC to the University may differ from the total fees you are liable for. Under the LLE, for example, tuition payments may be made in stages (for example, 25%, 25%, 50%) or in equal instalments, depending on the structure and duration of your Programme. Full details will be provided once the LLE funding model is implemented.

### 3. Programme Information

a. The key information you need about your Programme (including the Programme title, length, modules, tuition fees/other costs) can be found at the following page on our website [Course Finder](#) and your offer letter

- b. If you are applying for a Postgraduate Research award your offer letter will contain details of your Supervisory Team.
- c. As our prospectus is published so far before the start of the application process to give you information about your options, certain changes are unavoidable. The following page on our website [Course Finder](#) and your offer letter, rather than our prospectus, should be regarded as the sole sources of information to be relied on as they contain the most current and definitive information you need.

## 4. Rules and Regulations

a. **By accepting our offer, you agree to abide by our [Academic Regulations](#) (which cover, amongst other matters, assessment, academic progression and awards) and also our student policies and procedures (see section 25 *List of Our Rules and Regulations* below). We reserve the right to make changes to our Academic Regulations, policies and procedures and to introduce additional documents (normally before the start of each year of study but, where necessary, at other times) where they benefit students or are necessary because of changes in law, regulatory or funder requirements, or they reflect good practice or aid clarification. We will let you know where any changes are made.**

b. If there are any compulsory vaccination or other requirements which are imposed by the UK Government, the National Health Service or other applicable health or regulatory bodies and which apply to students studying your Programme, then you must comply with those requirements to remain on the Programme (see your offer letter).

New requirements which you must comply with may be introduced, or changes to existing requirements you must comply with may be made, where they are imposed by law or a third party (e.g. an accrediting professional body) or they reflect current good practice. We will give you notice of any new or modified requirements which apply to you. If there are particular requirements for your Programme that you must comply with, they will be specified in our offer letter.

c. If you are studying one of our Programmes which leads to registration with a professional body (as listed in Appendix A of our [Fitness to Practise Procedure](#)):

i. any concerns about your fitness to practice will be considered under our [Fitness to Practise Procedure](#); and

ii. in addition to our Rules and Regulations, you must also comply with the Rules and Regulations of the applicable professional body.

d. The qualification you leave with will depend on the level of your Programme, the credits/marks you obtain and the threshold of classification you reach as set out in our [Academic Regulations for Taught Programmes](#) and [Academic Regulations for Research Programmes](#) pages on our website

e. Assessment outcomes are confirmed by Assessment Boards. You may submit an academic appeal against a decision reached by an Assessment Board, but specified grounds and time limits apply (see our [Academic Appeals Procedure](#)). If you are permitted to retake a module by the Assessment Board, or you submit an appeal, you may be prevented from progressing on your Programme pending the outcome. If your appeal is unsuccessful and the delay means you have to resume your Programme in the next year of study, you must pay the difference between the tuition fees you have already paid and the tuition fees which are payable by other students taking the Programme in that year of study.

f. As noted above you should read all of the applicable documentations, rules, regulations, policies and procedures (see section 24 *List of Our Rules and Regulations* below) before you accept an offer or re-register. These Terms and Conditions, set out the key points you need to know and signpost more detailed information so you can find it if needed.

**g. We have a duty of care to our colleagues, students, visitors and others involved with university activities as well as a duty to safeguard children and vulnerable adults who may be on campus. For this reason, we require all our students to disclose the following once they have accepted an offer of a place:**

**I.any relevant Unspent Criminal Convictions in the UK and all other jurisdictions; and/or**

**II.any police investigation or charges brought against you by the Police or Criminal Justice System as a result of your alleged criminal conduct in the UK and all other jurisdictions.**

**You must inform us of the above as soon as possible after you have accepted an offer and at least 30 (thirty) days before the scheduled start date for your Programme (or immediately if there are fewer than 30 (thirty) days before the scheduled start date). If you do not make a disclosure at this point, you will have the further opportunity to do so via our [Declaring Criminal convictions](#) page on our website. Disclosure should be made within 30 (thirty) days of the conviction/charge/instigation of any police investigation. Disclosure should be made within 30 (thirty) days of the conviction/charge/instigation of any police investigation.**

After a disclosure has been made, we will consider the impact of any criminal convictions or investigations/charges and may ask you for further information as necessary. We do this so we can support you and the wider University community, and not to put unnecessary barriers in place for you.

In the case of investigations by the police or criminal proceedings which have not been concluded at the time of your disclosure we may need to work with the police to support you. In a limited number of cases, we may need to defer a decision about you joining a Programme, or for current students, we may need to interrupt your Programme temporarily until those investigations/any criminal proceedings have been concluded.

In many instances a criminal record or police investigation will not prevent you from studying on a Programme, however, if we decide that a disclosed conviction/ investigation or charge means that you pose a threat or a risk that cannot be mitigated to our colleagues, students, visitors or others involved with University activities with whom you may come into contact or that allowing you to study a Programme would be contrary to the law, then we can cancel your Contract and remove you from the Programme (see also section 4 (h) below). For further information see our [Applicant & Student Criminal Conviction Policy](#) located within [Student Facing Policies and Procedures](#).

Failure to disclose a criminal record, and/or the instigation of a police investigation, or disclosure of incorrect or misleading information, could result in Cancellation of your Contract and your removal from the Programme (see section 7 *Circumstances in which we may Cancel your Contract and remove you from your Programme* below).

We accept no responsibility for any adverse consequences which result from Cancellation of your Contract and your removal from the Programme.

h. If your Programme requires you to undergo a Disclosure and Barring Service (DBS) check, your place on the Programme will be conditional on such check being satisfactorily completed. We are not responsible for any delay in carrying out the check unless it is solely our fault. The DBS check is in addition to any disclosure that you are required to make under section 4 (g).

i. We use IT facilities to deliver your Programme (including assessments) and, in using our IT system, you must comply with our [IT Acceptable Use Policy](#). In particular, you are responsible for all activity on your user account and your password must be kept secure. Monitoring of your account may be carried out to ensure there is no misuse. Misuse may result in sanctions including blocking or your account and /or a fine.

j. **When accessing databases, online journals, or other electronic resources subscribed to by the University Library, you must comply with the terms and conditions of use for each resource, and general copyright law. Breach of these terms may constitute a disciplinary offence and could, in some cases, lead to legal action against you and/or the University. Further guidance is available on our [Acceptable Use of E-resources](#) and [Copyright](#) webpages.**

## 5. Withdrawal of/changes to Programmes and modules

a. **Occasionally Programmes, or the way in which they are delivered or the facilities that we use to deliver them, may need to be significantly changed or withdrawn after offers have been accepted.** If this happens, we will give you notice as soon as reasonably practicable and will do what we can to mitigate any adverse effects. This is unusual but can happen where:

- i. we consider that the change is beneficial to students; or
- ii. the Programme is not viable to run or will not give students the appropriate educational experience (such as where there is insufficient take-up by students) or where funding or (if your Programme is accredited) accreditation is withdrawn; or if supervision is no longer available within your research topic. The University keeps its recruitment data under constant review, and where a Programme is identified as being 'at risk', prospective students will be notified and offered support;
- iii. (if your Programme is delivered by a collaborative partner) that collaborative partner ends its relationship with us or fails to deliver the Programme to the required quality or standard; or
- iv. (if you are a postgraduate research student), the academic who is appointed as your supervisor is unable for any reason to continue the supervision and we are unable to find a suitable replacement; or
- v. we are affected by an exceptional event that is outside our control. For illustration purposes only, examples of an exceptional event that is outside of our control include but are not limited to natural disaster, adverse weather, terrorism, pandemic or industrial action; or
- vi. we will also take such reasonable and proportionate steps in the context of strikes and industrial action by university staff; or
- vii. we have to adapt to comply with new or modified laws and regulations or rules of applicable professional bodies.

b. If you are adversely affected by any significant change or withdrawal, you may switch to another Programme or, in the absence of a suitable alternative, cancel your Contract

and leave the University and transfer to another provider. We have an [Interruptions and Withdrawals process](#) which sets out exactly what happens in this situation.

- c. The range of optional modules available to you may also change for the reasons outlined above and also where modules are over-subscribed or (if you have interrupted your studies or deferred your place) modules are discontinued.
- d. Changes to Programmes during your studies should only happen in exceptional circumstances. However, if changes are necessary and there is a suitable alternative Programme you prefer, we will assist you, as far as we are able, with switching to that Programme.
- e. Our [Refund and Compensation Policy](#) sets out what you can expect to happen where it becomes necessary for us to make changes that could substantially affect your studies.
- f. **We shall not be liable to you for the impact of events outside our control which we could not have foreseen or prevented, even if we had taken reasonable care, as long as we have taken reasonable and proportionate steps to mitigate the impact of these events. Such events include: strikes and other industrial action by non-University staff; staff illness; severe weather; fire; civil commotion; riot; invasion; terrorist attack or threat of a terrorist attack; cyber-attack; war (whether declared or not); natural disaster; restrictions imposed by government or public authorities; significant changes to our funding or government higher education policy; epidemic or pandemic disease; or failure of public utilities or transport systems. Should any such circumstances arise, we will take reasonable and proportionate steps to mitigate the impact on students, which may include making changes to your Programme and University services and facilities in line with sections 5 (a) to (e) above. Sections 5 (a) to (e) above sets out the range of circumstances in which changes might be made, the likely reasons for those changes, how we will communicate the circumstances of the change to you, and how we will seek to remedy the situation if you are unhappy with the change.**

## 6. If you want to leave your Programme and the University

### a. *General right to cancel*

In addition to your statutory right to cancel (see below at section 6 (c)), you may cancel your Contract at any time without giving us any reason. Where you cancel before a year of study has started, you will not have to pay us anything in respect of that year of study, although you will lose any non-refundable deposit you have paid. Where you cancel after a year of study has started, the amount you owe us or we owe you for that year of study depends on the amount you have paid and how many weeks into your Programme you are at the time you cancel (please refer to the [Refund and Compensation Policy](#)).

b. If you cancel your Contract, the amount of refund will depend on the amount you have paid us and how many weeks into your Programme you are at the time you cancel. To check if you are entitled to a refund and how much would be paid, please email [satuitionfees@salford.ac.uk](mailto:satuitionfees@salford.ac.uk).

### c. *Statutory right to cancel*

You have a statutory right to cancel your Contract with us (without giving us any reason) within a 14-day period which starts on the day after you accept our offer of a place on the Programme (**14-day Cooling Off Period**). If you receive an offer from us, whether this is conditional or unconditional, the 14-day cooling off period will start from the day you

accept our offer. If we establish that you have already used our confirmation of acceptance for studies letter to obtain a student visa, your deposit cannot be refunded. Otherwise, cancellation will entitle you to a full refund of any tuition fees you have paid. **If teaching of your Programme is scheduled to start during the 14-day Cooling Off Period, then by accepting the offer and entering into a Contract with us, you are expressly acknowledging and agreeing that your Programme starts during the 14-day Cooling Off Period, and before your statutory right to cancel has ended. If you then decide to withdraw from your Programme within the 14-day Cooling Off Period you may be liable to pay a proportion of your tuition fees, as set out in section 6 (d) below.**

**d. If you interrupt or withdraw from your Programme, your fees will be revised based on the date you withdraw or begin a leave of absence. Further details are set out in the [Refund and Compensation Policy](#).**

e. To cancel you must give us notice via the [Student Self Service Portal](#) via the Student Hub. We use the date of your notice to calculate how much we owe you or you owe us (for more details see our [Student Engagement, Interruption and Withdrawal Policy](#)).

## **7. Circumstances in which we may cancel your Contract and remove you from your Programme**

a. We may cancel your Contract and permanently remove you from your Programme (you will no longer be a registered student) with immediate effect by giving you notice in writing if:

- i. you give us any false, misleading or materially incomplete information in relation to your application. We may also inform any relevant external bodies about this; or
- ii. you do not disclose any relevant Unspent Criminal Conviction by the deadline for disclosure or you disclose information that is incorrect or misleading (see section 4 (g) above); or
- iii. you do not register at the appointed time and you do not have an Interruption of Study (break in learning) that we have agreed; or
- iv. subject to section 7 (f) below, your tuition fees (or any instalment) are not paid by the due date for payment (whether they are payable by you or a third party on your behalf); or
- v. you are required to pay a deposit for any year of study but do not pay it by the due date for payment or a payment is flagged to us as suspicious (e.g. because you tried to pay using different cards in different names); or
- vi. you commit any fraud in connection with any payment to us; or
- vii. you do not meet the minimum attendance and participation requirements (including those of any professional body which accredits your Programme); or
- viii. you do not meet the assessment criteria to progress with your Programme or to transfer to another Programme; or
- ix. you have not complied with any vaccination or other requirements which are imposed by the UK Government, the National Health Service or other applicable health or regulatory bodies and that apply to students who are studying your Programme; or
- x. (Students Visa holders) your application for a visa is refused or your visa is curtailed (cancelled) or you fail to comply with all applicable United Kingdom immigration rules

- and/or our [Engagement Monitoring Policy](#) or we decide there are grounds on which you fail your pre-CAS interview (see section 11 *Students with Visas* below); or
- xi. you have committed serious misconduct for which the penalty of Expulsion is imposed under our [Student Misconduct Procedure](#) or [Student Academic Integrity and Misconduct Procedure](#) or
- xii. you are found unfit to practise for which the penalty of Expulsion is imposed under our [Fitness to Practise Procedure](#).
- b. Where your Contract is cancelled for any reason set out in section 7 (a) above, your Contract with the University will be deemed terminated, and you will still be liable to us for any outstanding fees accrued up to and including the date of cancellation.
- c. If we withdraw your offer or cancel your Contract before you start the Programme, we will refund any tuition fees you have paid less any amounts you owe us. However, your deposit is not refundable if, at the time of withdrawal or cancellation, we establish that you have already used our confirmation of acceptance for studies letter to obtain a visa or that, during the application process, fraudulent documents (financial or academic) were used or information on previous visa refusals was withheld. If we cancel your Contract after you have started the Programme, the tuition fees you owe us or which we will refund to you will depend on how many weeks into your Programme you are at the time your Contract is cancelled. To check the amount see [Refund and Compensation Policy](#). If you are in University accommodation, you should refer to your tenancy agreement as to the consequences of your registration being cancelled.
- d. If your application for a visa is refused, we may decline to issue you with a further confirmation of acceptance for studies letter and our decision will be final.
- e. If your Contract is cancelled, your registration as a student will be cancelled which means that you would no longer be a student of the University. As a result you would no longer be able to make use of the University facilities, attend lessons/lectures, sit examinations or submit assignments for marking. Any assessments/ assignments, (e.g. course work or exams) that you do submit or take, following cancellation, will be considered as null and void. If you are allowed to re-join the Programme at a future date, you will be required to repeat these assessments and examinations before you can continue your studies or be awarded a qualification.
- f. If we cancel your registration as a student for non-payment of any tuition fees then, subject to you paying in full all such tuition fees within 60 days from the due date stated in your revocation letter, we may agree for you to be reinstated to your Programme. If, however, you have missed teaching and assessments, reinstatement may be conditional on you meeting certain academic requirements before you return to your Programme (e.g. waiting to return to your Programme until the next academic year). On reinstatement to your Programme your Contract will resume as if it had never been affected.
- g. If your Contract is cancelled, or you interrupt or are suspended or expelled from your Programme any scholarships, bursaries, and awards will cease to be paid. If, at the time of cancellation, interruption, suspension, or Expulsion, you have already received more by way of scholarship or bursary than you are entitled to, you must return the overpayment.
- h. Students who have had their withdrawal of sponsorship reported to UK Visas and Immigration by the University and subsequently have had or are in the process of having their Student Visa curtailed, may not rejoin their Programme until they secure a new Student Visa to allow them to return to the UK.

## 8. What happens if exceptional and unforeseen events prevent us delivering your Programme

Our [Student Protection Plan](#) and [Refund and Compensation Policy](#) explains the measures we will take to protect you if the continuation of your studies is put at risk due to any exceptional and unforeseen events (e.g. loss of our degree awarding powers). Wherever possible we will try to teach out your Programme even if we have to make adjustments to the way we deliver it. If that is not possible, we will offer you one of our other Programmes or, if there is nothing suitable for you, we will arrange for you to transfer to another provider.

## 9. What you need to do if there is a change to your circumstances and you need an Interruption of Study (IoS) or Break in Learning (BIL)

- a. You may request an Interruption of Study or Break in Learning, only if you plan to resume your studies at a later date and the interruption (including the duration) is expressly agreed by the University. For example, you may wish or need to interrupt your studies for medical treatment or for family/personal reasons.
- b. We can provide a range of support if you are experiencing any difficulties. Please see section 14 (c) below which explains how to access help.
- c. To request an Interruption of Study you must contact us via the [Student Self-Service Portal](#). Our [Student Engagement, Interruption and Withdrawal Policy](#) explains more about the process. Typical Interruption of Study are normally granted for periods of up to 12 (twelve) months. For durations longer than 12 (twelve) months these are considered as exceptional circumstances and are considered on a case-by-case basis.
- d. If you are self-funding or have a Sponsor, the calculation of your tuition fees will be based on how many weeks into your Programme you are at the time you interrupt. If you are a Student Visa holder, you will be required to leave the UK during your Interruption of Study, and your current visa will be curtailed by UK Visas and Immigration.
- e. If, at the time of interrupting, you have paid all tuition fees for the year of study, you may (at your option) either:
  - I. carry forward your paid tuition fees to a subsequent year, assuming you resume at the same point at which you interrupted, and you resume at the next available opportunity. Please note that the tuition fees payable for subsequent years of study following your return from an Interruption of Study may increase – see section 2 above and our [Refund and Compensation Policy](#); or
  - II. receive a refund (the amount will depend on how much you have paid and how many weeks into your Programme you are at the time you interrupt. To check the amount of your refund, see our [Refund and Compensation Policy](#)). If you receive a refund, you will be charged the rate of fees which are applicable at the time you resume your Programme.
- f. If you are funded by the Student Loans Company, your tuition fees will depend on the date your interruption starts. Overpaid funding cannot be carried forward to a subsequent

year as it will have to be repaid to the Student Loans Company. You will then need to re-apply for funding for the year of study in which you resume your Programme. The tuition fees will be the applicable amount charged at the time you resume. The amount charged may be reduced if you only need to undertake part of a year of study, e.g. trimester 2.

## 10. What to do if things go wrong

The University is committed to providing a high-quality educational experience, supported by a range of academic and administrative services and facilities. If you have not received the service that we have promised you, you can make a complaint. We have two complaints procedures which should be followed: one for applicants which can be found at the following link; [Admissions Complaints](#) and one for students which can be found at the following link; [Student complaints](#)

Applicants and Students are encouraged to raise their complaint or concerns at the earliest opportunity, ideally at the time of the incident or as soon as possible after they experience the alleged poor service or support. If we do not resolve your complaint to your satisfaction, you may be able to take your complaint to the Office of the Independent Adjudicator (**OIA**) whose role is to provide an independent scheme which reviews complaints against higher education providers.

Where complaints are found to be justified or partly justified, the OIA may make recommendations for us to implement. Students have up to 12 (twelve) months from the date of the Completion of Procedures Letter (a letter issued once a student has reached the end of the University internal processes) to refer to the OIA.

## 11. Students with Visas

- a. If you have a visa, you must comply with visa conditions, immigration rules and our [Engagement Monitoring Policy](#). In particular, we are required to monitor your engagement with teaching events and your non-attendance will be reported to UK Visas & Immigration and may result in curtailment (cancellation) of your visa and your removal from the Programme. You also agree to provide all immigration documents to us for us to copy and retain to meet the conditions of your Visa.
- b. If you defer your start date before obtaining a visa, we will carry over your deposit to the next available start date. However, if you defer your start date after obtaining a visa, you will lose your deposit and, as you will need to re-apply for a visa, you must pay us a further deposit.
- c. If you are applying for a visa for the first time you should be aware that we may ask you to a pre-CAS interview after you have paid your deposit and before any interview that UK Visas & Immigration may require. If we have concerns about your genuine ability or your English language or your financial documents or your academic certificates /transcripts/other documents, then these may be grounds for us to decide you have failed your mock interview and to cancel your Contract under section 7 (a).
- d. Information for students with visas is available via our [Immigration and Visa services](#) page

## 12. Misconduct

Action will be taken against you if you are found guilty of misconduct (please refer to our [Student Academic Integrity and Academic Misconduct Procedure](#) and [Student Misconduct Procedure](#) set out Section 25 List of our Rules and Regulations, Policies and Procedures below). Penalties range from zero marks for assessments through to Expulsion depending on the type and severity of the misconduct. Serious misconduct may result in your suspension (and loss of access to facilities and services) pending the outcome of disciplinary action. We will report suspected criminal behaviour to the Police, and the disciplinary process may be put on hold pending the outcome of any criminal proceedings.

### 13. Intellectual Property and Ownership of your work

The University has an Intellectual Property Policy which sets out the University's rules on the ownership, protection and commercialisation of intellectual property, including that created by students. You are subject to the Intellectual Property Policy whilst you are a student of the University. The Intellectual Property Policy is available on the University's website at: [Intellectual Property Policy](#).

What constitutes *Intellectual Property* is defined in the [Intellectual Property Policy](#).

The University's [Intellectual Property Policy](#) applies to all works which you produce and which relate to the Programme that we are delivering. With certain limited exceptions set out in our [Intellectual Property Policy](#) (e.g. where outputs are co-created), you are the owner of all copyright and other intellectual property rights in the works which you create during your Programme.

### 14. Facilities, accommodation and support services

- a. Our facilities (e.g. Library, IT access) may need to be suspended or modified because of essential maintenance, refurbishment or improvements or health and safety concerns or other circumstances outside our reasonable control. We will maintain facilities to a reasonable level and, wherever possible, will minimise disruption.
- b. Third parties own and manage the student accommodation which is located on campus and, if you are staying there, you will have a separate contract for your accommodation with them.
- c. We offer a range of support services for our students for every aspect of life away from the lecture theatre and they can be accessed via our [askUS](#) web pages or our askUS helpdesk in University House. These services can help in a wide range of circumstances, including if you are experiencing mental health problems, are struggling with your Programme or are concerned about your fit with your Programme.
- d. We will issue you with a student ID card when you first register with us which you will need to access our library and other facilities. You are responsible for all usage of your ID card and must keep your ID card safe and secure at all times. Lost or stolen ID cards must be reported to us as soon as possible via the following email address; [askUS@Salford.ac.uk](mailto:askUS@Salford.ac.uk)

### 15. Collaboration with other providers to deliver your Programme

Where another provider with whom we are collaborating is responsible for the delivery of the whole or part of your Programme, the following applies:

- a. In addition to our Rules and Regulations, and Policies and Procedures, you must also adhere to the applicable rules and regulations of that provider (copies will be made available to you by that provider). In particular, you must pursue any complaint regarding delivery of your Programme by that provider with that provider. Only if your complaint relates to your Programme with us you will have a right to take your complaint to the final (review) stage of our student complaints procedure via the following link; [complaints procedure](#).
- b. If your complaint alleges losses caused by both the University and that provider, subject to section 16 below, the University's liability will be limited to a fair proportion of your losses calculated by reference to the extent of our responsibility. Where it is within our power, we will assist you by requiring that provider to provide you with any remedy to which you are entitled.

## 16. Our Liability to You

**Nothing in our Contract with you shall limit or exclude the University's liability for death or personal injury arising from our own negligence, or for fraud or fraudulent misrepresentation. We will be liable to you for loss or damage you suffer that is a foreseeable result of our breach of this Contract or if we fail to carry out our obligations under this Contract to a reasonable standard, but not to the extent that any such failure is attributable to you or a third party that is not within our control. We will not be liable for loss or damage which were not foreseeable. Losses are foreseeable if they were an obvious consequence of our breach of this Contract or if they were contemplated by you and us at the time we entered into this Contract. We shall not be held responsible for any injury to you (financial or otherwise), or for any damage to your property, caused by another student, by any person who is not an employee or authorised representative of the University or by any other third party.**

## 17. Protecting your data

- a. It is your responsibility to provide us with and keep us promptly updated (via the [Student Self-Service Portal](#)) about all changes to, your contact details, including your UK address and landline/mobile telephone numbers.
- b. The University will collect and process a range of information about you as part of the application and registration procedures and in relation to your academic progress and student record. We will process your personal data in accordance with all applicable Data Protection legislation and our [Privacy Statement](#) which details how students' personal data will be processed and the purposes for which the data is collected. It is necessary for the performance of this Contract that the University collects and processes this data. Please ensure that the information that you provide to us is true, correct and complete and that you update it when any details change. The Privacy Statement covers the sharing of information about you with certain third parties where we are required to do so including (where applicable to you):
  - i. your Sponsor;
  - ii. any regulatory body which has responsibility for registering you for the profession to which your Programme leads;

iii. the Police.

c. (If you have a Sponsor), you authorise us to share relevant information about you and your studies with your Sponsor.

## 18. Support to Study

We have a pastoral duty towards all students which means we must follow up any concerns we may have about your physical or mental fitness to study under our [Support to Study Policy and Procedures](#).

## 19. Students' Union

As a registered student you will be automatically registered as a member of the Students' Union unless you notify the President of the Students' Union that you do not wish to register. In accordance with the provisions of the Education Act 1994 Part II, you have the right to opt out of Union membership, and you will not be unfairly disadvantaged in accessing services if you do opt out. Further details about the Students' Union and opting out of membership are available at [www.salfordsu.com](http://www.salfordsu.com).

## 20. Changes to Terms and Conditions and other documents

**We reserve the right to change these Terms and Conditions and any other document comprising the Contract at any time without notice to you provided that the changes are: in the best interest of or beneficial to students; or,**

**not significant; or,**

**in response to events beyond the University's control including but not limited to changes in applicable laws and regulations or rules of applicable professional bodies; or,**

**to rectify an error; or**

**are to aid clarification.**

**Each version of these Terms and Conditions will be published in the [Rules and Regulation section](#) of the Student Hub on our website.**

**Where there is any conflict or inconsistency between these Terms and Conditions, and any of Rules and Regulations listed below, these Terms and Conditions will prevail.**

## 21. Graduation

a. The scheduling of our graduation ceremonies may have to be changed for unforeseen reasons outside our reasonable control. We will try to avoid or minimise disruption wherever possible. All gown hire, travel, accommodation and other costs for you and your guests attending graduation are the responsibility of you/your guests. Students/their guests from outside the UK should ensure that they have adequate insurance in place for their stay in the UK.

b. The name that appears on all awarding documents, including certificates and transcripts, will be your full name as recorded in the University's systems at the point of

award, i.e. the date you are awarded your qualification. Please note the University's systems do not recognise accent marks and these will therefore not appear on awarding documents.

It is your responsibility to ensure that your personal details, including your full legal name, are correct and kept up to date at all times. You are required to review and confirm the accuracy of your personal details as part of the University's registration process.

Any requests to amend a name after registration has been completed will only be considered in accordance with the University's [Name Change Policy](#) and must be submitted and approved before the point of award if the change is to be reflected on any awarding documents. The University will not amend awarding documents to correct errors where a student has previously confirmed their personal details as accurate, other than where a formal name change has been approved in line with the Name Change Policy. Awarding documentation will be issued in accordance with the timescales displayed on our [University Website](#) at the time of your award.

## 22. Governing law and Jurisdiction

English law governs these Terms and Conditions and your Contract with us. You and we both agree to submit to the exclusive jurisdiction of the English courts.

## 23. Third Party Rights

The Contract is personal between the University and you. You may not assign or transfer it to a third party. A person who is not a party to the Contract (such as a third party responsible for the payment of some or all of your tuition fees) does not have any rights under or in connection with the Contract.

## 24. Glossary of Terms

**Cancellation/Cancellation of Contract** The end of your legally binding agreement with the University regarding your Programme and your permanent removal from your Programme and **cancel** and **cancelled** shall be construed accordingly.

**Confirmation of Acceptance of Studies (CAS)** An electronic reference number from a UK educational institution needed by international students to apply for a student visa.

**Expulsion** This is a disciplinary sanction which, where applied, results in a student being permanently removed from his/her/their Programme at the University and the cancellation of the contract between the student and the University. A student who has been expelled from the University would never be permitted to study at the University again.

**Home Student** A student who we assess as being eligible to pay tuition fees at the Home Rate according to guidance of the [UK Council for International Student Affairs](#); and Home Students shall be construed accordingly.

**Home Rate** Tuition Fees are charged at a rate of either 'Home' or 'Overseas (international)'. The level that you pay is determined by your fee status. Students assigned home fee status will pay the home rate of tuition fees. The home fees for

all undergraduate and postgraduate taught courses are shown via the following link to our [course pages](#). The fee you pay will be confirmed in your offer letter.

**Interruption of Study** An interruption of study is where, with our prior agreement, you take a formal break from study for a specific period of time with the intention to resume study at a future date. This is sometime referred to as a Break in Learning (BIL).

**Non-Regulated Tuition Fees** Fees that are not regulated by the UK Government and where the university has complete discretion over the fee charged.

**Overseas Rate** Tuition Fees are charged at a rate of either 'Home' or 'Overseas (international)'. The level that you pay is determined by your fee status. Students assigned overseas fee status will pay the international rate of tuition fees. The international fees for all undergraduate and postgraduate taught courses are shown via the following link to our [course pages](#). The fee you pay will be confirmed in your offer letter.

**Programme** Any and all programmes of study within the scope of these terms and conditions including supervised practice or research, and associated assessment undertaken by a student of the University which on successful completion leads to the award of a certificate, diploma or degree.

**Retake** This refers to your third attempt at a module assessment and means that you must attend all classes and do all assessments for that module again. Retake modules are subject to payment of a fee and require re-registration for the module at the appropriate time. Retake is different to reassessment. Reassessment refers to your second attempt at any assessment and will result in a capped mark for the assessment of 40% (forty per cent) (undergraduate) or 50% (fifty per cent) (postgraduate).

**Regulated Tuition Fees** The UK Government sets the fee limits universities and colleges can charge through the Higher Education and Research Act 2017. These limits may change from year to year.

Information about which categories of students and courses are covered by regulated fees is set out in regulations made under the Higher Education and Research Act. The current regulations are The Higher Education (Fee Limit Condition) (England) Regulations 2017 (SI 2017/1189).

**RPI-X Inflation** The Retail Prices Index is defined as an average measure of change in the prices of goods and services bought for the purpose of consumption by the vast majority of households in the UK. RPIX inflation is a measure that excludes the mortgage interest payments component from the Retail Price Index.

**Pre-CAS Interview** A mandatory interview conducted by the university after you have made an initial tuition deposit but before issuing your CAS. It is designed to assess your authenticity as an applicant—including academic readiness, financial backing, English skills, and genuine intent to study.

**Sponsor** An external organisation such as an embassy, your employer or a government organisation.

**Student Loan Company** The Student Loan Company (SLC) is a non-profit organisation in the United Kingdom responsible for administering Student Tuition Fee Loans and grants to eligible students pursuing higher education.

**Student Tuition Fee Loan** A Student Tuition Fee Loan covers the cost of the tuition fees charged by the University. It's only available to students studying an eligible undergraduate course. Interest is charged from the day you make a payment to the university. The Student Tuition Fee Loan, plus any interest, has to be paid back but not until you have finished or left your course and your income is over the repayment threshold and more information can be found at; [Repaying your student loan](#).

**Suspension of Study** A period of time during which we temporarily pause your studies pending the outcome of a disciplinary hearing related to an allegation of serious misconduct. Suspension is a neutral act, but restrictions may apply, e.g. access to the campus may not be permitted and IT facilities may be withdrawn, and **Suspensions of Study** shall be construed accordingly.

**Terms and Conditions** These terms and conditions which define the rights and obligations of both the student and the University, and form part of the Contract between us.

**Unspent Criminal Conviction** An offence for which the applicable rehabilitation period has not ended. After a certain amount of time (known as a rehabilitation period), a criminal conviction becomes 'spent' and can be ignored. There are different rehabilitation periods depending on how old you were when you were found guilty by a Court and on the sentence or punishment you were given.
